SECTION 01310
DISADVANTAGED BUSINESS EMPLOYMENT PROVISIONS

The City of Savannah actively encourages employment and participation of small and disadvantaged businesses in all City contracts. Attention of the bidders is called to contract conditions contained herein pertaining to non-discrimination, equal employment opportunity, subcontracts, and opportunities for project area residents.

It is the policy of the City of Savannah that disadvantaged business enterprises (DBEs) be given fair opportunity to participate in the performance of services for the City, and that prime contractors utilize DBE subcontractors and suppliers to the fullest extent possible consistent with the efficient performance of the contract. The City of Savannah has not established a DBE goal for this project, however DBE participation is always encouraged.

In order to determine compliance, bidders shall submit the following completed documents in a separate sealed envelope clearly marked with the bid number, project name and number and marked (Section 1310 Disadvantaged Business Employment Provisions) with their bid:

1. Non-discrimination statement (Sec. 01310-3) and;
2. Proposed schedule of disadvantaged business enterprise participation (Sec. 01310-4) and;
3. Documentation of Good Faith Efforts [Submit only if the goals are not met.]

Failure to submit the required documents shall result in the bid not being read or considered.

Suggestions to help meet the goal:

✓ Dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation of DBEs.

✓ Advertising in general circulation media, trade association publications, or disadvantaged business enterprise media to solicit bids from DBE subcontractors or suppliers. [Advertisement should appear at least 10 days prior to bid due date, unless the City’s solicitation period is shortened.]

✓ Designating portions of the work for DBE subcontracting in trades with established availability of DBE subcontractors.

✓ Providing a minimum of 10 days’ notice prior to the Bid due date to DBEs when requesting bids or proposals for furnishing material or services as a subcontractor or supplier.

Any attempt to submit false information, will result in a recommendation that the bidder be debarred from participating in future City contracts.
The contractor is required to fulfill any DBE utilization commitments made unless good cause is demonstrated for any failure to fulfill such commitment. **Written approval is required prior to any substitution.**

The contractor will maintain records and information necessary to document compliance with Good Faith Effort requirements, and the City shall have the right to inspect such records.

Any DBE listed in the completed form entitled “Proposed Schedule of DBE Participation” (Section 01310-4) must be certified by an approved agency such as USDOT, GDOT, or SBA 8(a) prior to the due date of this bid. Proof of DBE certification such as a certificate or letter from the certifying agency is required to accompany the bid. A firm that has submitted an application for DBE certification or an application for DBE certification under review but has not been certified is not qualified as a certified DBE and will not be recognized as such during the City’s evaluation process.

No bidder shall enter into an agreement with any DBE that would in any way limit the DBE’s opportunities to sell to, or act as subcontractor for, any other party. Violation of this requirement would be grounds to deem the bidder non-responsive to this bid solicitation.

The City of Savannah Mayor and Aldermen have established a priority to increase the utilization of the local workforce to the greatest extent possible on City contracts. To achieve this goal, the City has established the Hire Savannah Policy and Program which shall be included in all eligible bid awards of $100,000 or more for covered services and $250,000 or more for construction-related services as a method of inducing contractors to hire qualified workers who reside in Savannah, Georgia.

Contractors responding to this solicitation are required, as an issue of responsibility, to indicate that it agrees, if awarded a Covered Contract, to be bound to contractual obligations requiring it to use good faith efforts to meet the Hire Savannah Program requirements. If the bidder or proposer fails to respond affirmatively, it shall be deemed non-responsive to the solicitation.

A "Covered Contract" is a City-awarded contract that: (a) is not subject to state or federal requirements that prohibit or pre-empt the application of this Program to the contract; and (b) pays the Contractor $100,000 or more for covered services or $250,000 or more for construction-related services. “Construction-related Services” means services purchased by the City that involve construction, demolition, alteration and/or repair of city buildings, city public works or other city facilities.

Covered Services include the following services purchased by the City: food preparation or distribution; security services; routine maintenance services, such as janitorial, cleaning, refuse removal, recycling collections, and other similar services for normal upkeep of facilities; repair or refinishing services for furniture, fixtures, vehicles, machinery, or equipment, including preventative maintenance replacement of parts, and other activities needed to preserve the asset; clerical or other nonsupervisory office work, whether by temporary or permanent personnel; printing and reproduction services; and landscaping, lawn, or agricultural services. Covered Services does not include professional services, which are those technical services provided by an individual licensed Georgia professional or a registered professional consultant, including but not limited to lawyers, architects, engineers, and other design consultants.
