Security Plan

1. Open 5:00PM - 10:00Pm Monday through Saturday
2. We have a lounge area that allows guests to sit while waiting for their table if necessary. We sit guests as soon as their reservation time. Seldom does any guest wait for their table. Smokers must stay at least twenty feet away from the restaurant.
3. The owner rents one space in the parking lot behind our building. This parking lot is owned by the building and supplies spaces for the Post Office as well as surrounding businesses. We pay a monthly fee for one space. Guests can park in three parking lots near 114 Barnard. Whitaker Street parking, Jefferson Street Parking, State Street parking. They also have the option to park on the street at designated city spaces.
 - A. We do not have NO Loitering Signs
 - B. We do have cameras inside our establishment and the building has cameras around the building inside and out.
4. Managers control any disorderly patrons, but since we are a high-end restaurant, this is not usually an issue. The building patrols their parking lot
5. No security guards.
6. No guest is allowed to sit in the bar area if under twenty-one years of age. All guests who appear to be under twenty-five years old must show us their Identification with a drivers license or passport. A document that proves their age with photograph.
7. See answer # 6
8. We have sprinkler systems throughout the restaurant including kitchen, hallways, bathroom. The Fire Marshall typically comes once a year to make sure we are compliant as does Savannah Fire and Safety.
