How do you make sure crowds inside your establishment remain orderly?

All guest will be greeted and seated by employees. Our staff and management will be TIPS certified and well trained in properly in dealing with guests. We will not have cameras in our business.

Where do your customers park when they're at your establishment?

There are parking spaces available in front of the business as well as a parking lot across the street.

How does your establishment control who comes in and out of your establishment?

All guest will be greeted and seated by employees so we can control capacity.

Everyone of all ages is welcome in our establishment. Parking is not private and is open to everyone.

What do your employees do to ensure that individuals under the age of 21 are not allowed to consume alcohol at your establishment?

The owners, management and staff will all have their TIPS certification and be trained in properly checking IDS. We will have the date prominently displayed on our POS, as well as a scanner at the bar.

Does your establishment allow individuals under 21 to enter? If so how do you properly identify people who are 21 and over from those who are under 21 years of age?

Our establishment does allow individuals under the age of 21.

All patrons will be ID by the staff and all employees will be properly trained with TIPS. If an employee suspects an individual is using a fake ID the individual will be asked to leave the building. ID scanners will also be used.

What is being done at your location to help ensure there are no accidental fires?

Smoking will be prohibited inside our establishment and will only be allowed in designated smoking areas with proper ashtrays to dispose of cigarettes. We will also not allow candles anywhere inside or outside of our establishment.

In the Event of an emergency how is your staff trained to evacuate patrons?

All staff will be properly trained to evacuate patrons in the event of an emergency. Management and staff will help patrons to the nearest designated exit. In the event of a fire, management will activate the fire alarm. In the event of any emergency, management will call the police.
