

Security Plan

- **Creekfire Motor Ranch, located at 275 Fort Argyle Rd, Savannah, GA 31419 is open 7days a week from 8AM to 10PM.**
- **Internal Operations to address and manage crowds are handled by on site security and maintenance. Access to our Motor Ranch is secured by gate and requires access cards to enter the property as a paying guest. Our policies and procedures are specifically designed with quiet hours from 10PM to 8AM. Failure to follow property rules result in ejection and escort from the park.**
- **Being a motor ranch, our customers park at their RV site. The only time customers are driving on property are during their arrival and departure either in the personal vehicles or RV's. Most driving on site is done in golf carts.**
- **No person or persons are allowed on site without checking in with the Front Desk and obtaining a gate access card. These cards are set to deactivate automatically based on a patron's stay. No facilities are provided to guests without first entering the gates to the property except for our main clubhouse. This area includes our front desk where guests can check in.**
- **Our maintenance staff provides on-site security trained in house**
- **Our food and beverage staff members are ServSafe certified and working towards their Georgia Bar Card for pouring capabilities. All staff handling alcohol will be required to be certified in alcohol training with certificates on site within 7 days of employment. We require all guests who look younger than 40 to provide an ID when consuming alcohol on site. Bartenders/servers will calculate date using manual math to check ID's.**
- **Our Motor Ranch is family friendly. However, to prevent underage alcohol consumption we provide a food and beverage staff member to verify ID of guests drinking at the time of service. Any family allowing a minor to consume alcohol on site is in violation of CreekFire Motor Ranch policies, state and federal law, the local police will be called. They guest will then be asked to leave property.**
- **To mitigate risk of fire, CreekFire Motor Ranch has fire extinguishers located throughout the park in all common areas, buildings, and trailers. These fire extinguishers are verified and certified by Champion Fire. Our maintenance staff is also trained to prevent the spread of fire throughout the park including measures to roll out hoses from our pool house for local common areas. Fire Hydrants are located throughout the park at required city specifications.**
- **CreekFire Motor Ranch provides guests and staff with emergency evacuation and emergency policies and documents. Our staff is trained to immediately react to emergency and escalate issues to the highest-ranking on-site member of management to coordinate with local public safety offices including Fire and Police. Attached is a copy of our emergency procedures.**
- **CreekFire Motor Ranch has security cameras located in Lakehouse restaurant in bar area, one on each side of patio as well as kitchen cameras. We have 24 cameras throughout the property. The Owner, General Manager, Restaurant Manager and IT staff have access to these cameras. POC-Kathy Olsen, F & B Manager.**
