Q2 Specific measures and procedures to address crowd management both inside and outside the premises:

We have 2 Employees everyday during each shift and in busy hours we have manager on duty. The crowd is divided on 2 registers and 2 lottery machines. so the crowd remain orderly on both register counters.

We do not get too many crowds outside as we have enough parking areas and along with that we have 6 pumps with 12 sides. So, we do not get too many crowds outside the store

a. We do not have any Loitering signs outside the store. b Yes we do have cameras inside and outside the store. 14 cameras inside the store 2 cameras outside

Q3 Identification of any parking areas owned or controlled by establishment.

We do not have and parking areas owned or controlled by establishment. All the parking we have are for everyone.

Q4 Means of controlling access to the premises and parking area.

Our store is open 20 21 hours a day. So many customers come go and park there when they come to buy groceries or to put gas in cars. Our employees always look out there and we do have cameras so we can always take look on that as well
