

Security Plan For Double Wide Diner Located at  
135A West Bay Street  
Savannah, Ga 31401  
owner: William W William

TreyLor Park's Double Wide Diner hours of operation are 7am til 12am 7 days a week. Crowd Management will be handled by general manager and communication will be relayed to patrons on keeping streets clear of crowds and walking lanes in the restaurants clear of crowding. We are a restaurant and not a bar and are not encouraging rowdy crowds and will not tolerate immature behavior. We will be having a total of 12 security cameras, 3 outside and 9 inside. Customers will be parking on street and parking decks in the area. Managers will be controlling who comes into the establishment. We will not be staffing security guards as we are a restaurant and will not be promoting a bar/rowdy atmosphere. All employees will be TIPS certified to enforce that individuals under the age of 21 are not allowed to buy/consume alcohol at our establish. We will be IDing everyone that orders any alcoholic beverages on premises. We have pre-shift meetings before every shift where we going over the the date allowed to drink for that day. If there is a ID in question Manager is called over to insure ID is valid. We will be following all health code procedures and fire safety measures to ensure there are no accidental fires. The General Manager will be trained to handle all emergency situations. We will have an emergency contact sheet posted in restaurant with emergency number for Police, EMS, Fire Department, etc. We will have fire extinguishers provided and laid out by Pye Barker and maintained along with an ansul hood system. emergency procedures in our handbook that we will follow closely to assist patrons and staff to be escorted from the premises in a controlled fashion in case of an evacuation. We hope this information is acceptable to ensure a suitable security plan
