- 1) **Identification of days and hours of operation:** What days of the week is your business open? Our business is open Sunday through Saturday, every week. For each day what time is your business open? Our business is open from 11am to 12am Monday through Saturday and 12:30am to 11pm on Sundays.
- 2) **Specific measures and procedures to address crowd management both inside and outside the premise:** How do you make sure crowds inside your establishment remain orderly? All our staff is trained to handle all visitors or guests on our property. During their training, they learn how to organize lines and where to direct visitors and guests to designated waiting areas. How do you ensure crowds outside (i.e. lines, smokers, etc.) your establishment remains orderly? We have designated areas outside of the premises where visitors and guests may stand, however since our business is a hotel, we do not anticipate too much outside traffic. Our staff is also trained to keep the outside areas of the premises free from crowding by moving guests and visitors inside of the building or to have any loitering, non-guests to move away from the premises. The staff knows to contact local authorities to handle any unruly guests or crowds if the situation escalates and reasonable attempts to remove crowds or loiterers are ineffective. All employees are trained to abide by local, state and federal laws for consumption of alcoholic beverages. They are required to ID all patrons that request to purchase alcoholic beverages. No exceptions. We focus a lot of effort on training in this regard and make sure that every team member understands the seriousness of these procedures. We will place signs behind the bar that show "If patron is born on or before "x date" 1999" then the patron is of age, and the staff will verify that the ID is in fact the patrons ID. Our POS will also allow to enter in the patrons age to confirm.
