

Public Safety Plan

Hideaway Sports bar & Grill Inc. is a friendly entertaining environment displaying everyday sport's games and news on over 8 large TV screens with occasional live entertainment for your enjoyment. Our menu will consist of Savannah's home town best meals and finger foods with a variety of cocktails, imported and domestic beers and wine.

Hours of Operation

Our hours of operation as follows: Monday thru Wednesday from 11am to 12am, Thursday thru Sunday from 11am to 2am.

Crowd Management

Hideaway's Security personnel will utilize our High-tech camera system to assist with monitoring all entrants into the establishment and outside the premises. Our security personnel will utilize Stanchion Post Barriers to assist with forming lines outside the establishment or assigning all guests a waiting number. All smokers will be required to smoke in a designated area or 8-10 feet from the door entrance. For every 30 guests at the Hideaway we will have on staff an additional security personnel to assist with monitoring the crowd.

Identified Parking

All customers and patrons are free to park in the open parking located to the front of the Hideaway door entrance.

Controlling Access

All customers will be greeted by our uniformed employee and licensed security personnel and/or ID if after 9pm. No private parking available.

Security Staffing

We will hire trained and license security Guards but, we currently don't have anyone at this time. We will only hire trained security guards.

Underage Consumption

Our POS comes with and ID Scanner to avoid customers from flashing fake IDs and to prevent underage drinking. All participants are required to provide valid government issued photo ID.

Risk Management – Fire

Hideaway has an installed an automation fire suppression system for our kitchen and it's inspected twice a year. Our establishment also has portable fire extinguished handy throughout the bar near the serving bar, the kitchen and near each door and a installed fire alarm with a sprinkler system.

Our exhaust system will be exhausted and cleaned to avoid grease buildup.

No smoking will be allowed inside in the Bar.

Emergency Evacuation

Each staff member will be assigned a serving area that they are also responsible for directing those customers to the nearest entrance or their assigned exit (Exit A, B, C, or D). All kitchen staff will be assigned to exit the building through Exit D and all customers will be escorted to Exit A, B, and/or C. Hideaway staff will be trained in cases of emergency to push our emergency silent alert button which will notify Police and EMS in the area.
