1) Identification of days and hours of operation: What days of the week is your business open? For each day what time is your business open?

A) Sunday to Saturday   8 AM to 12 AM

2) Specific measures and procedures to address crowd management both inside and outside the premise: How do you make sure crowds inside your establishment remain orderly? How do you ensure crowds outside (i.e. lines, smokers, etc.) your establishment remain orderly?

A) We have an employee for stock and Security around busy times usually 6PM to 12 AM. This employee does not have uniform so he can blend in general public and catch shoplifters. He is also responsible to control crowd in and out of store, if there are times where he cant control we would call police for help.

3) Identification of any parking areas owned or controlled by establishment: Where do your customers/patrons park when they're at your establishment?

A) The store has 13 regular parking space and 2 handicap.

4) Means of controlling access to the premises and parking area: How does your establishment control who comes in and out of your establishment? How do you control who uses your parking areas?

A) The use of parking lot is only for paying customers. Any vehicle that are parked in parking lot for more than 30 minutes will be towed away by towing company. If any vehicle looks suspicious we will contact police for assistant.

5) Security Staffing: Do you use Security Guards? If so, how many? How often do you use them? Where they trained "in house" or by a company? If they were trained by a company, provide the name(s). Do you employ Off-Duty SCMPD officers? If so, how many and how often?

A) We do not use Security Guards or Off duty officers. We have an employee who does stock and security. But the employee do not have any kind of training.

6) Measures used to combat underage consumption of alcoholic beverages: What do you/your employees do to ensure that individuals under that age of 21 are not allowed to buy/consume alcohol at your establishment?

A) All of the employee have gone through online Alcohol training course (www.rastonline.com). Also our POS System would not allow sell alcohol or tobacco products with out entering date of birth from Valid Government ID or scanned actual ID.

7) Measures used to distinguish between patrons who are over and under the age of 21, where applicable: Does your establishment allow individuals under 21 to enter? If so, how do you identify people who are 21 and over from those who are under 21 years of age?

A) We always check ID's before we sell Alcohol & Tobacco even if the customer is patrons. We do allow under age customers in the store. The POS is designed so no one can override the system.

8) Measures and procedures to combat the risk of fire: What is being done at your location to help ensure there are no accidental fires?

A) We have 2 Fire extinguisher in the store one is located near main and Counter and other is located near stock room. Also there are two smoke detector in the store. In any case it is easy to access them. To prevent accidental fire we do not allow any on to smoke or light up any thing in or near the store. We also we keep the area around the store clean of any trash and debris inside and out.

9) Discuss matters related to managing emergencies, such as fires, evacuation tactics, assignment of employee duties during emergencies, and coordination with public safety: In the event of an emergency how is your staff trained to evacuate patron? Do certain employees have certain duties during emergencies? How does your establishment contact/ work with police and EMS during an emergency?

A) In case of fire emergencies the employee will ask everyone in to evacuate the building safely and at the same time they will call 911 for help. In case of any other emergency they all 911 for police or EMS. Also they will relay any important information to 911 dispatcher.
