

Old Savannah Distillery Security/Operations Plan

Type of Entertainment Establishment Will Offer/ Identification of days and hours of operation:

The primary function of the space is as a restaurant. The facility will be open 7 days a week, from 11a to 11p.

Identification of any parking areas owned or controlled by establishment:

There is a small parking lot at the back of the facility for parking, which will be first come, first serve. The parking has entrances and exits from three sides, although the lanes all lead towards Montgomery Street.

Facility & Security Staff:

Attractions Director: Kayla M. Black, DOB 3/14/1986, Business Phone – 912-233-0083, Cell Phone - 912-755-4793, Email - kblack@historictours.com.

Regional Manager: Charles S. Brazil, DOB 11/18/1968, Business Phone – 912-233-0083, Cell Phone - 912-210-2250, Email – cbrazil@historictours.com.

Number/Utilization of Security Personnel:

The Old Savannah Distillery will not have uniformed officers on a regular basis. Staff, such as management, bartenders, servers, and bar backs, will be responsible for security, as well as the management staff of the restaurant.

Checking ID and Controlling Entrance to Underage:

Employees will only accept valid government issued identification. Bartenders and servers will request ID when serving/selling alcoholic beverages. If an employee checking an ID has a strong suspicion that an ID is fake, altered, or is not the individual presenting it, he/she will confiscate it and turning it over to management to be presented to police. There will be a Global ID book on site. All employees will be TIPS certified.

Control and Public Safety Concerns

The restaurant and bar areas will be outfitted with numerous security cameras, on both the interior and exterior of the building to monitor and report activity. Security alarms will be also used to close and open. The staff will reserve the right to refuse service to anyone they feel is a danger to the facility, others, or themselves and the police will be called for any disturbances or criminal activity.

Fires, Evacuations, Assignments of Duty, Coordination with Public Safety:

The Old Savannah Distillery will have a number of trained and informed employees in management responsible for the evacuation of guests. There will be a displayed evacuation plan throughout the space, as well. All alarms for fire and break-in will alert appropriate public safety officers.
