

Security Protocol

There will be 2 SPD officers on Friday and Saturday Night.

- 1st Officer 9p.m. – 2a.m.
- 2nd Officer 10p.m.-3a.m.

Alpha One Security will be full time security. Jerome Irwin is the security supervisor.

- ❖ 1st Security Officer at the door checking I.D.'s and checking for weapons and other illegal items.
- ❖ 2nd Security Officer Station on Patio
- ❖ 3rd Security Officer patrolling the perimeter and inside of the club
- ❖ Metal detectors are used for entry, every patron will be scanned by magnetometer
- ❖ Security personnel and/or establishment staff will routinely monitor restrooms for unusual behavior (e.g., more than one person in a stall).
- ❖ Security will keep Identifying information on ejected and/or arrested patrons and place them on a "barred list" database. Patrons who have been barred should not be allowed subsequent re-entry.

THE DOOR-PERSON (Friday and Saturday Night) will:

- ✓ Be stationed at the entry door(s),
- ✓ the doorperson assists with checking IDs to ensure that people seeking entrance are of legal age.
- ✓ they also assist with denying entry to persons who are obviously intoxicated, or who are known to have

previously caused problems and/or been barred by management.

Cameras

Cameras are mounted and

- show patrons entering and exiting establishment
- show patrons entering and exiting restrooms.
- provide coverage for all blind spots, entrances, exits, service areas, hallways, dance floor, and where necessary.
- will maintain recordings for 7 days

Patrons awaiting admission:

- will be placed in a line, not blocking the sidewalk.
- All individuals in admission lines will be informed that if they are not orderly, they will not be admitted.
- Individuals who will not be admitted will be encouraged to leave the area.
- ID'S will be checked for every person seeking to purchase, obtain, possess, or consume alcohol, who reasonably appears to be less than 21 years of age.
- There will be no exceptions made to this policy, including for anyone brought into the premises by an employee or promoter.
- The Original Sey Hey & Family will be using wristbands.

Fire Safety

The following list serves to assist identifying and preventing some of the most critical and common issues regarding fire safety:

1. Prior to opening, an employee or manager needs to walk all paths and exits to ensure they are open and free of obstructions.
2. an employee or manager ensure the proper inspection Fire Alarms,
3. Be aware of the status of all exits and keep them free and clear of obstructions.
4. Keep the front (main) entrance clear and free of obstructions, particularly patrons entering or waiting to enter.
5. Ensure fire extinguishers (9) are properly placed and employees know where they are located and how to use them, Extinguishers will have current tags and be of appropriate size and type.
6. The occupant load will be known by all staff listed on the occupancy permit and posted near the entrance. It will be enforced at all times
7. Trash and combustibles will be removed from the building on a regular basis to avoid the possibility of ignition. Full trash cans are a ready source for ignition.
