

RECYCLED CRUSHED AGGREGATE STONE

EVENT NO. 7857

SPECIFICATIONS AND SPECIAL CONDITIONS

- 4.0 The purpose of these specifications is to establish an annual contract to procure recycled crushed aggregate (stone, concrete, asphalt). The types of aggregate required will include crusher run (GABC) #4 and also rip rap.
- To submit pricing electronically for this event, enter pricing for each line item shown under the lines tab on the event summary. To enter pricing manually, complete the attached bid proposal form. Bids must be submitted on the bid proposal forms contained in these specifications in order to be considered. Partial bids will be accepted. Sections for which the bidder does not want to be considered should be left blank.
- 4.1 Terms
- This is an annual contract and prices are to be held firm. The first term shall begin on the date of award and end one year after. Prices will remain firm and fixed. This agreement may be renewed for up to three (3) additional 12 month periods, if all contracting parties so agree and services provided by the vendor have been satisfactory. In the event this contract is not renewed prior to the expiration of any term, this contract shall continue to be honored on a month-to-month basis until this contract has been renewed.
- 4.2 Detailed Specifications
- All crushed stone shall consist of sound durable particles of crushed stone, concrete, or asphalt meeting Georgia Department of Transportation, Standard Specifications, Construction of Transportation Systems, June 21, 2001, section 800 materials. Recycled material meeting size requirements of the Standard Specifications will be acceptable.
- 4.3 Delivery
- Delivery will be required so the vendor is asked to supply a per ton delivery only price.
- 4.4 Each bidder shall list the location of stockpile and scales/ weighbridge on bid form and if requested shall provide proof of certification of said scales/weighbridge. All deliveries shall be weighed using scales or weighbridge, with the delivery ticket showing gross and net tonnage of the delivered load.
- 4.5 A visit to the stockpile may be conducted by a Sanitation Department representative prior to award of. The City shall determine the appropriateness of reserves at the bidder's stockpile.
- 4.6 The City reserves the right to sample test the material and to periodically make vendor site visits to determine that the material is meeting the specifications of this bid.
- 4.7 In the event that a substitute product is supplied, the product must be approved by the City of Savannah, and must be shown on the bid submittal. The lower price of the two items must be charged.
- 4.8 If materials cannot be supplied by the primary vendor, the City reserves the right to buy from a secondary vendor.
- 4.9 Materials

- 4.9.1 One and a half (1 ½) inch Crusher Run Stone: (GADOT) (GABC) - Material shall conform to current Georgia Department of Transportation specifications.
- 4.9.2 #4 Gravel – (Size 1 ½ - ¾) Materials shall conform to current Georgia Department of Transportation (GDOT) specifications for size. Material may or may not contain reinforcing steel wire remnants and will be bid separately.
- 4.9.3 Rip Rap: GDOT (Size 1.0ft-6in) Standard Construction 805.01 - Type 3 Rip-Rap. Material may or may not contain reinforcing steel wire remnants and will be bid separately.
