## NOTES

Recommend approval to procure consulting services from Thomas & Hutton Engineering in the amount of \$82,500.00. The consulting services will be used by the Stormwater Management Department to update the City's Springfield Canal basin hydraulic model. This is a sole source because Thomas & Hutton Engineering exclusively has performed the modeling of the basin. Therefore, additional design by this vendor will not require duplication of design work. Delivery: As requested. Terms: Net 30 days. The vendor is:

S.S. Thomas & Hutton Engineering (Savannah, GA) <sup>(B)</sup> \$82,500.00

A pre-bid conference was not conducted as this is a sole source procurement. (B) Indicates local, non-minority owned business. Recommend approval.
