BE IT ORDAINED by the Mayor and Aldermen of the City of Savannah, Georgia, in regular meeting of Council assembled and pursuant to lawful authority thereof:

SECTION 1: That Part 8, Chapter 3, Zoning of the Code of the City of Savannah, Georgia (2003) hereinafter referenced as "Code," be amended as follows:

ENACT

*Note: Text to be enacted shown in bold and underlined.*

**I. Article A. (Generally), Sec. 8-3002 (Definitions)**

**Campground; recreational vehicle park. A facility that provides land to transient guests who use personal tents, travel trailers, motor homes, or recreational vehicles as temporary accommodations. Cabins may also be provided. Related accessory uses such as bath houses, on-site storage, an event space, passive and active recreational facilities, a club house, a restaurant with alcohol sales by the drink, a general store with incidental sales of beer and wine, and a caretaker's residence are permitted and limited to registered guests and their guests.**

**II. Article B. (Zoning Districts), Sec. 8-3021 (Established)**

**(44) A-1-Agricultural. The A-1 district is established to allow agricultural areas to be developed in a manner consistent with the retention of agriculture and forestry and the preservation of rural character. This district may also include certain non-agricultural uses that are customarily found in rural areas.**

**IV. Article B. (Zoning Districts), Sec. 8-3025(b) (Provisions regarding uses in the C districts and R districts)**

| <b>Uses Proposed for the Proposed Agricultural (A-1) District</b>   | <b><u>A-1</u></b> |
|---|-------------------|
| <b>Residential Types:</b>   |                   |
| (1) Dwelling, one-family  | <u>X</u>          |
| a. Detached   | <u>X</u>          |
| b. Semidetached or end-row  | <u>X</u>          |
| <p>Provided that within the R-6-C district, single-family dwellings may be converted into a duplex where it can be demonstrated that (1) the minimum lot area is 3,000 square feet, (2) the building requires rehabilitation and cannot be economically rehabilitated for single-family use, and (3) such conversion would provide affordable housing and upgrade the property in question. In addition to the development standards set forth in Section 8-3031, the following shall also apply:</p> |                   |
| <p>(a) The driveway and parking orientation shall be consistent with that of surrounding development. However, no off-street parking shall be located within the required front yard setback unless specifically approved by the MPC.</p>   |                   |
| <p>Two off-street parking spaces per unit shall be provided unless the MPC approved one space per unit where space limitations make it impractical to comply with this requirement.</p>   |                   |
| <p>(b) The size, bulk, height, and scale of proposed conversions shall reflect the character of existing single-family structures in the area.</p>  |                   |
| <p>(c) The architectural style and the facade treatment of exterior alterations shall be characteristic of the neighborhood. Construction materials shall be compatible visually with materials used in adjacent and surrounding structures.</p>  |                   |
| <p>(d) Entrances and other building openings shall be similar to the orientation and character openings and of existing entrances in the area.</p>  |                   |
| <p>(e) Fences, landscaping and buffers shall be visually compatible with the area.</p>  |                   |
| <p>(f) There shall be no exterior evidence to indicate that the structure is a duplex.</p>  |                   |

| Uses Proposed for the Proposed Agricultural (A-1) District  | <u>A-1</u> |
|---|------------|
| (g) The planning commission may impose such other requirements as it deems necessary to protect the established character of the neighborhood.  |            |
| c. Attached or row  | <u>X</u>   |
| (7) Residential, manufactured homes   | <u>X</u>   |
| a. All manufactured homes shall be oriented so that the principal entrance faces and is parallel to the street or an approved access easement which serves as principal access to the dwelling unit. This requirement shall not be waived.  |            |
| b. No more than one manufactured home shall be permitted on a lot unless within a legally existing or permitted manufactured home park.   |            |
| c. All manufactured homes shall comply with all regulations established for a one-family dwelling in this district.   |            |
| d. The manufactured homes shall be situated on a permanent foundation designed to support the maximum anticipated load during all seasons. Such foundation shall be built up to the undercarriage of the manufactured home for its entire length and the manufactured home anchored onto such enclosure/foundation in such a manner that it will be safe from overturning or creating other hazards to the inhabitants or to adjacent properties. Necessary ventilation passages and a crawl space with a permanent door are the only openings permitted on the foundation enclosure. |            |
| e. The lot shall be landscaped according to a landscaping plan which shall be submitted at the time of application for a building permit. Approval of such plans shall be a part of the application review. Such plan shall include any fences proposed or existing on the site. When a lot abuts a conventional single-family dwelling or a vacant lot on which a conventional single-family dwelling may be established, a landscaping buffer or a fence shall be required and shown on the approved landscaping plan.  |            |
| f. The tow-bar and any associated appendages shall be either removed or else totally screened from view by fencing or other appropriate buffers in such a manner as to conceal their shape.   |            |
| g. The manufactured home shall be provided with a recessed or roofed porched entry way with permanent steps that is visually compatible with conventional single-family construction.   |            |
| h. The exterior appearance of any addition including the foundation enclosure shall be visually compatible with conventional single-family construction.  |            |
| I. No manufactured home with less than 600 square feet in a primary unit, exclusive of cabanas, or other added appendages shall be permitted.   |            |

| Uses Proposed for the Proposed Agricultural (A-1) District   | <u>A-1</u> |
|--|------------|
| j. Any electrical service box which is not attached to the manufactured home shall be placed within the rear yard of the unit, and screened from view from any public right-of-way or adjacent property.   |            |
| <b>Religious Facilities:</b>   |            |
| (15) Church and other places of worship  | <u>X</u>   |
| a. The use shall abut a collector or greater arterial.   |            |
| b. The use shall be at least 100 feet from any conforming residential dwelling.  |            |
| (15a) Temporary use  | <u>X</u>   |
| 1. Provided that the following specific conditions shall apply to such uses not located on public property.  |            |
| a. A site plan shall be approved by MPC pursuant to the provisions of Sec. 8-3031.   |            |
| b. A circulation, curb-cut, loading space and off-street parking plan is approved for the use by the city traffic engineer; required parking and storage areas shall be provided on the site.  |            |
| c. The use complies with the sign requirements for the districts in which it is located.   |            |
| d. Such use shall not be located adjacent to or across a street from a conforming residential use.   |            |
| e. The use shall not be permitted for greater than 30 days within any six month period unless a different length of time is specifically provided for hereunder.   |            |
| f. Such use shall be located along a collector or arterial street.   |            |
| g. Such use shall be located on not less than a one acre site.   |            |
| h. The use shall not occupy off-street parking spaces required for another use nor extend into the required building setback lines of the site.  |            |
| I. Sanitation facilities shall be approved by the Chatham County Health Department prior to the issuance of an occupancy permit.   |            |
| j. Tents and/or mobile vehicles/structures shall not be permitted in conjunction with such use unless specifically provided for hereunder. Where so allowed, such tents and/or mobile vehicles/structures shall be located as shown on the approved site development plan. Tent(s) shall be constructed on fire retardant materials. |            |
| k. Such use shall comply with the requirements of the city noise ordinance.  |            |
| 2. Temporary uses shall include the following activities:  |            |
| a. Temporary outdoor religious services.   |            |

| Uses Proposed for the Proposed Agricultural (A-1) District  | <u>A-1</u> |
|---|------------|
| Provided that:  |            |
| 1. The use shall abut an arterial street.   |            |
| 2. The use shall not extend for a period of greater than 14 days within any six-month period.   |            |
| 3. The use shall be at least one hundred (100) feet from any conforming residential unit.   |            |
| 4. Tents may be utilized for tent revivals.   |            |
| b. Carnival, rodeo, horse show, athletic event or similar activities operated and sponsored by a bona fide civic or charitable organization.                          |            |
| 1. All amusements or activities shall be located at least four hundred (400) feet from the nearest residential unit.  |            |
| 2. The use shall not extend for a period of greater than fourteen (14) days within a six (6)-month period.  |            |
| 3. Tents and/or mobile vehicles/structures may be utilized for such activities.   |            |
| c. The use of public facilities or public parks for carnivals, rodeos, horse shows, shooting or athletic events, community fairs, or other events of public interest. | <u>X</u>   |
| Provided that:  |            |
| 1. Public parks shall be owned and operated by either an agency of government or unit of government.  |            |
| 2. Tents and/or mobile vehicles/structures may be utilized for such activities.   |            |
| d. Temporary off-site promotional and public interest events, auto shows, boat shows, art shows, pet shows, etc.  | <u>X</u>   |
| Provided that:  |            |
| 1. All displays and promotional activities shall be located at least 100 feet from any conforming residential dwelling.   |            |
| 2. The use shall extend for not more than 14 consecutive days and the site shall not be utilized for such use for greater than 30 days within a calendar year.        |            |
| 3. Items sold during the event shall not be removed from the premises until the closing day of the event.   |            |
| 4. Tents and/or mobile vehicles/structures may be utilized for such activities.   |            |
| e. The sale of seasonal plants and/or produce   |            |
| (16) Convent or monastery   | <u>X</u>   |
| Provided that within the R-20, R-10, and R-6 districts such use shall be located on a parcel not less than four 4 acres in size.                                      |            |

| <b>Uses Proposed for the Proposed Agricultural (A-1) District</b>   | <b><u>A-1</u></b> |
|---|-------------------|
| <p>Provided further, on a site containing not less than four 4 acres, a cemetery solely for the interment of the residents of the convent or monastery shall be permitted subject to the following conditions:</p>  |                   |
| <p>a. All graves shall be set back not less than 100 feet from any property line.</p>   |                   |
| <p>b. All grave markers and crypts, mausoleums, columbariums or other such facilities over three feet in height as measured from ground level shall be screened from view from the adjacent properties by an architecturally designed fence or dense evergreen hedge adequate to block vision between or through the planted material, at least six feet in height.</p> |                   |
| <p>c. Provided, further that all cemetery burial plots, mausoleums, columbariums and other facilities shall be located as shown on a site plan approved by the MPC under the provisions of Sec. 8-3031.</p>   |                   |
| <b>Health and Welfare:</b>  |                   |
| (18) Eleemosynary or philanthropic institutions   | <u>X</u>          |
| (18a) Non-profit sheltered work center  | <u>X</u>          |
| (18b) Group personal care home for the mentally ill (seven to 15 persons)   | <u>X</u>          |
| <p>Provided that such use shall not be permitted within 1,000 feet, as measured in any direction from property line to property line of another such care home or other type of care home.</p>  |                   |
| <p>Provided further that within the R-4 and R-M districts, the following provisions shall apply:</p>  |                   |
| <p>a. The lot shall have a minimum frontage on an arterial street of at least 150 feet.</p>   |                   |
| <p>b. All principal buildings shall be not less than 25 feet from any adjoining lot line.</p>   |                   |
| <p>c. There shall be at least 2,000 square feet of lot area for each resident of the group care home, including live-in supervisory personnel, provided that no lot of less than 24,500 square feet shall be utilized for this use.</p>   |                   |
| <p>d. The site development plan shall be reviewed under the provisions of Sec. 8-3031 to insure that in addition to the other criteria set forth herein, the use is oriented in the best manner to protect adjacent uses.</p>   |                   |
| (18e) Group care home for the abused or mistreated (seven to 15 persons)  | <u>X</u>          |
| <p>Provided that such use shall not be permitted within one thousand (1,000) feet, as measured in any direction from property line to property line of another such care home or other type of care home.</p>   |                   |
| (18f) Group care home for the elderly (seven to 15 persons)   | <u>X</u>          |

| <b>Uses Proposed for the Proposed Agricultural (A-1) District</b>   | <b><u>A-1</u></b> |
|---|-------------------|
| Provided that such use shall not be permitted within 1,000 feet, as measured in any direction from property line to property line of another such care home or other type of care home.   |                   |
| (18h) Group care home for the mentally retarded (seven to 15 persons)   | <b><u>X</u></b>   |
| (18j) Emergency shelters for homeless persons   | <b><u>X</u></b>   |
| Provided that the following conditions are met:   |                   |
| a. Emergency shelters shall not be located on a site which has a one-family, two-family or multi-family residential use located adjacent thereto. Shelters shall not be located across a street from a one-family, two-family or multi-family residential use unless the street is a lane and no residential dwelling unit fronts onto the lane within the block in question; or the street is classified as a collector or greater.  |                   |
| b. The site development plan shall be reviewed under the provisions of section 8-3031, to insure that, in addition to the other criteria, the use is oriented in the best manner to protect adjacent uses.  |                   |
| c. A maximum of 50 persons (excluding supervisory personnel) shall be housed in the shelter at any one time.  |                   |
| d. There shall be at least 50 square feet of space in the building for each occupant, including staff.  |                   |
| e. Meals may be provided only for individuals temporarily housed within the shelter unless food service centers are permitted elsewhere in the district.  |                   |
| f. One responsible representative of the not-for-profit organization responsible for the operation of the shelter shall be on the site for each 25 persons housed in the facility overnight.  |                   |
| g. Each shelter shall have a staff manual setting forth established procedures for emergency evacuation and medical emergencies.  |                   |
| (18k) Transitional shelters for homeless persons  | <b><u>X</u></b>   |
| a. Provided that such shelters shall not be located adjacent to or across a street from a one- or two-family residential use unless (a) the street is a lane and no residential dwelling unit fronts onto the lane within the block in question; (b) the street is classified as a collector or greater. Provided further, that such use may be located across a street from or adjacent to a lot containing three or more two-family structures developed at or exceeding a net density of 25 dwelling units per net acre. |                   |
| b. The site development plan shall be reviewed under the provisions of section 8-3031, to insure that the use is oriented in the best manner to protect adjacent uses.  |                   |
| c. A maximum of 50 persons, in addition to the responsible representative(s) of the not-for-profit organization, shall be housed  |                   |

| <b>Uses Proposed for the Proposed Agricultural (A-1) District</b>  | <b><u>A-1</u></b> |
|--|-------------------|
| overnight in the shelter at any one time. One organization representative responsible for the operation of the shelter shall be on-site for each 25 persons housed in the facility overnight.  |                   |
| d. There shall be at least 100 square feet of space in the building for each occupant, including staff.  |                   |
| e. Meals may be provided only for individuals temporarily housed within the shelter unless otherwise permitted elsewhere in this chapter.  |                   |
| (18m) Adult day care center  | <b><u>X</u></b>   |
| a. Such use shall only be permitted on a lot which abuts and has vehicular access to a collector street, major arterial or secondary arterial. The zoning board of appeals may waive this requirement if, on the basis of evidence presented, it finds that the traffic to be generated by a particular use can be accommodated on a minor or residential street without creating traffic congestion and traffic hazards to the neighborhood served by such streets. When such use is located on a minor or residential street, the board may limit the number of persons utilizing the facility and the hours of operation based on the traffic to be generated, the size of the property, the characteristics of the neighborhood, and the location of the use in relation to adjacent properties. |                   |
| b. Such use shall comply with the Georgia Department of Human Resources "Standards for Adult Day Care," as amended.  |                   |
| c. The parking layout and design shall be characteristic of the neighborhood within which such use is located.   |                   |
| d. Within R-4 and R-M districts, excluding a center located within an existing nonconforming structure, only a dwelling unit may be utilized as an adult day care center and the operator shall reside in the dwelling.  |                   |
| e. One off-street parking space per employee, including supervisory personnel, plus safe and functional off-street patron pickup and delivery space as approved by the city traffic engineer, shall be provided.   |                   |
| f. When the building housing such use is located across the street from or adjacent to a dwelling unit, the use shall operate only between the hours of 6:30 a.m. and 9:00 p.m.  |                   |
| g. Only one nonilluminated or indirectly illuminated sign not to exceed three square feet in the area shall be permitted. Provided that where such use is adjacent to or directly across from a nonresidential use or district, the metropolitan planning commission may allow a principal use sign of up to 12 square feet in area when it is to be located on the side of the property facing the nonresidential use or district and where the sign design is found to be in keeping with the character of the neighborhood.   |                   |
