6. Permitted Uses. Client's, and its User's, access and use of the Software shall be limited and subject to the following terms and conditions:

- a. One (1) Instance of the Software on one (1) Machine. As used herein, "Machine" means a single laptop, personal computer or web server, or a combined web and database server or multiple load-balanced web servers, configured to point to a single database and database server that is used operationally or "in production" ("Instance").

- d. Client also may use the Software to support "non-production" software development cycle activities if a non-production Subscription is purchased, as set forth in Exhibit A hereto.
- e. If Client requires or desires operational use of more than one Instance of the Software, an additional Subscription Fees shall be required.
- f. The Client's storage capacity is set to the maximum as set forth on Exhibit A hereto. ESI shall have the right to conduct regular audits of Client compliance with the storage capacity permitted under this Agreement. In the event Client's storage usage exceeds such capacity, Client will receive a warning notice (via email being sufficient) from ESI and Client shall promptly remove the excess data from the Hosted System (as defined on Exhibit D) causing the capacity excess or Client shall promptly purchase from ESI additional storage capacity in sufficient quantity at ESI's then current rates for such additional storage; *provided, however*, if Client does not either remove such data or purchase the additional storage capacity within the time period specified in the warning notice (if no time period is specified in the notice, then thirty (30) calendar days shall apply), then ESI shall be entitled to delete the Client's Data within the Hosted System on a first in-first out approach, without any liability to ESI.

User accounts, usernames and passwords shall not be shared. Client may provide access to the number of Administrators, Sub-Administrators, and Users set forth in Exhibit A to this Agreement. User counts are based on the number of unique logins each

- month. ESi shall have the right to conduct regular audits of Client compliance with the number of Users permitted under this Agreement. Client agrees to provide ESi with the information required, if any, for ESi to complete such audits. Such audits shall be conducted at ESi expense, except that Client shall be responsible for reimbursing ESi for all reasonable audit expenses if Client shall be found in violation of the User limits set forth in this Agreement. Client shall be in violation of User limits if the number of Users during any month covered by the audit is greater than the number of Users permitted in Exhibit A and such increase in Client is not supported by a Surge Capacity Plan.
- h. Administrators, Sub-Administrators, and Users shall have different rights to access the Software as follows:
 - i. Administrators may access all features of the Software. Certain features of the Software may only be accessed by named users who are granted status as an Administrator (“Administration Tools”). Sub-Administrators may access the following Administration Tools: creation of user accounts; management of user accounts including definition of roles and permissions; and creation and subsequent editing of incidents. Maintenance of Sub-Administrator rights requires the purchase of an annual “Enterprise” Software Support Plan. If Client elects to discontinue the required Software Support Plan, access to Sub-Administrator features and any other benefits of Enterprise which ESi may elect to make available from time to time shall be discontinued.
 - iii. Users may not be granted access to any Administration Tools, except that Administrators may grant designated Users rights to create or edit incidents and to add or edit maps in MapTac™.
 - i. Except where otherwise provided in this Agreement, rights to access and use Administrative Tools are given exclusively to the Client and Client may not grant such rights to any third party.
 - j. Client may provide its consultant(s) or independent contractor(s) with access to the Software and Documentation, provided that such consultants or independent contractors are using the Software and Documentation exclusively for the benefit of the Client. Client shall be responsible for compliance by its consultants and independent contractors with the terms and conditions of this Agreement.
 - k. If Client has subscribed to the WebEOC Enterprise Software or the WebEOC Professional Software, then Client may use the WebEOC BoardBuilder tool to copy, modify and create WebEOC forms and templates (“Status Boards”) and Client may distribute, in printed form or as electronic media, the Status Boards to Client’s authorized users, provided that such Status Boards are used exclusively for the internal business purposes of Client. Status Boards shall be considered Derivative Work(s) of the Software and Client shall not sell, resell, license or otherwise transfer for value any Derivative Work(s) created using the WebEOC BoardBuilder tool, and Client shall not distribute such Derivative Work(s) as part of any product or service for value to any third party. Any Derivative Work(s) prepared by Client shall remain subject to the terms of this Agreement and shall clearly display the following copyright notice to properly acknowledge the proprietary rights of ESi and its third-party licensors: “This work includes the intellectual property of ESi Acquisition, Inc. and its licensors and is provided under subscription/license. Copyright © 2002-2019, ESi Acquisition, Inc. and its licensors. All rights reserved.”
 - l. Client may, at its option and according to the terms of the ESi standard price list, obtain a Disaster Recovery Software Subscription to support replication of an active, source server to one or more redundant (“Target”) servers which may be placed in use to support disaster recovery or fail-over activities. A Disaster Recovery Software Subscription is required for each Target server. A Disaster Recovery Software Subscription may be used to operate an “in production” instance of the Software only when the source server is inactive or inoperable; only one Instance of the Software shall be active at any one time. Client is not required to obtain additional subscriptions for Software plug-ins, modules or interfaces installed on a redundant non-production Instance.
 - m. Permitted uses of WebEOC Fusion Software vary from the terms set forth in subsection (a) through (l) of this Section 6; in the event Client has purchased WebEOC Fusion Software, this subsection 6(m) shall apply: Client may install and place in production one (1) copy of WebEOC Fusion Software on one (1) source server and one (1) target server. Client may make one (1) copy of the WebEOC Fusion Software for back-up or archival purposes, or Client may install a second copy of the WebEOC Fusion Software on a second Machine if only one (1) copy of the WebEOC Fusion software is in use

at any one time. There is no limit to the number of the Subscription Instances of WebEOC Fusion Software® (or number of WebEOC Fusion Software clients) which may be connected by a single instance of WebEOC Fusion Software, provided that (i) only the Client of the WebEOC Fusion Software has administrative privileges and administrative access to the WebEOC Fusion Software and (ii) the Client has paid to ESI all applicable connection fees.

- n. A high-speed Internet connection is required for proper transmission of the Client Data into the Hosting Services and Software. Client, at its sole cost and expense, is solely responsible for procuring and maintaining the network connections that connect the Client network to the Hosting Services and Software, including, but not limited to, "browser" software that supports protocols used by ESI, and to follow procedures for accessing services that support such protocols. ESI is not responsible for notifying Client and its Users of any upgrades, fixes, or enhancements to any such software or for any compromise of data, including Client Data, transmitted across computer networks or telecommunications facilities (including but not limited to the Internet) which are not owned, operated, or controlled by ESI. ESI assumes no responsibility for the reliability or performance of any connections as described in this subsection.
- o. Client and its Users agree to not: (i) license, sublicense, sell, resell, rent, lease, transfer, assign, distribute, time share, or otherwise commercially exploit or make the Software and Hosting Services available to any third party, other than authorized Users in furtherance of Client's internal business purposes as expressly permitted by this Agreement; (ii) use the Software and Hosting Services to process data on behalf of any third party other than Client; (iii) modify, adapt, or hack the Software and Hosting Services, or otherwise attempt to gain unauthorized access to the Software and Hosting Services or related systems or networks; (iv) falsely imply any sponsorship or association with ESI, (v) use the Software and Hosting Services in any unlawful manner, including but not limited to violation of any person's privacy rights; (vi) use the Software and Hosting Services to send unsolicited or unauthorized junk mail, spam, pyramid schemes, or other forms of duplicative or unsolicited messages; (vii) use the Software and Hosting Services to store or transmit files, materials, data, text, audio, video, images, or other content that infringes on any person's intellectual property rights; (viii) use the Software and Hosting Services in any manner that interferes with or disrupts the integrity or performance of the Software and Hosting Services and its components; (ix) attempt to decipher, decompile, reverse engineer, or otherwise discover the source code of any software making up the Software and Hosting Services; (x) use the Software and Hosting Services to knowingly post, transmit, upload, link to, send, or store any content that is unlawful, racist, hateful, abusive, libelous, obscene, or discriminatory; (xi) use the Software and Hosting Services to store or transmit any "protected health information" as that term is defined in U.S. 45 C.F.R. 160.103 or "personal data" as that term is utilized in the Regulation 2016/679 of the European Parliament and of the Council on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/EC (General Data Protection Regulation); (xii) use the Software and Hosting Services to knowingly post transmit, upload, link to, send, or store any viruses, malware, trojan horses, time bombs, or any other similar harmful software; or (xiii) try to use, or use the Software and Hosting Services in violation of this Agreement.

7. **Protection of Software.** Client agrees to take all reasonable steps to protect the Software and Documentation from unauthorized copying or use. The Software source code represents and embodies trade secrets of ESI and/or its third-party licensors. The Software source code and embodied trade secrets are not licensed to the Client. Client agrees not to disassemble, decompile or otherwise reverse engineer the Software, use reflection or other mechanism to view, interpret, translate or try to understand the structure of the Software, or otherwise attempt to discover the source code and/or the trade secrets contained in the source code, and Client will not allow third parties to do so. Client may not, nor allow third parties to, modify or alter the Software in any way.

8. **Confidentiality.**

8.1 Confidential Information Defined. During the Term of this Agreement and in connection with each party's performance of their respective duties and obligations hereunder and thereunder, each party will disclose to the other ("Disclosing Party") and the other party shall receive ("Receiving Party") certain Confidential Information of the Disclosing Party. The term "Confidential Information" shall mean any and all information that the Disclosing Party discloses to the Receiving Party in connection with or related to this Agreement, whether disclosed verbally, electronically, visually, or in a written or other tangible or intangible form, including, but is not limited to, trade secrets, pricing information, terms of this Agreement, customers, customer lists, intellectual property, computer programs, software, documentation, formulas, data, inventions, techniques, financial, marketing or product development plans, personnel, audit results, designs, performance data, as to ESI, the ESI Technology and any other deliverables (including, without limitation, data, information, computer code and reports) provided in connection with the Software, and, as to Client, the Client's

Information, as well as any other information that the Disclosing Party clearly communicates to the Receiving Party as confidential.

8.2 Duties with Regard to Confidential Information. The Receiving Party agrees that it will only use the Disclosing Party's Confidential Information in the performance of its obligations hereunder or as otherwise expressly provided in this Agreement, and that it will only disclose the Disclosing Party's Confidential Information only to those of its directors, officers, employees, consultants, agents, independent contractors, and professional advisers who need to know such information and who are subject to written agreements with the Receiving Party sufficient to enable the Receiving Party to require such persons to comply with the Receiving Party's confidentiality obligations hereunder. The Receiving Party agrees that it will treat all of the Disclosing Party's Confidential Information with the same degree of care (but no less than reasonable care) as it accords its own confidential information.

Notwithstanding the foregoing or ESI's obligations elsewhere in this Section, Client understands that ESI does not require any information for the performance of Services hereunder, and that ESI cannot guarantee the security of Client Information when added to the Juvare Exchange, stored on Client's applicable equipment and hardware or transmitted or accessible when using the internet or other services providers. ESI shall not be liable or responsible to Client or any other party for any losses, damages, claims, costs or other obligations arising out of or relating to any unauthorized access to, disclosure or use of information stored by Client on the System, including, without limitation, within the Juvare Exchange, or while such information is transmitted or accessible through the Software, the internet, or services providers. Additionally, ESI shall not be responsible for any breach of security or confidentiality caused by Client's failure to maintain the confidentiality and control of its user identification numbers or passwords related to its use of the Software provided hereunder.

8.3 Exclusions from Confidential Information. Confidential Information does not include information that (a) is or becomes generally available to the public other than as a result of an unauthorized disclosure by the Receiving Party or its personnel; (b) has been or is obtained by the Receiving Party from an independent source without accompanying obligations of confidentiality; (c) is independently developed by the Receiving Party without reliance in any way on the Disclosing Party's Confidential Information; or (d) has been approved for unrestricted release by the Disclosing Party in writing. Additionally, the Receiving Party may disclose the Disclosing Party's Confidential Information where the Receiving Party is required by law to disclose information that is otherwise Confidential Information, provided (to the extent not prohibited by law) the Receiving Party has first notified the Disclosing Party in writing as soon as is commercially reasonable of such requirement to disclose the Disclosing Party's otherwise Confidential Information in order to permit the Disclosing Party to seek confidential treatment of such information. Additionally, Client agrees to reimbursement ESI at its then current hourly rate for such services for the number of hours spent by ESI responding to legal requests for Client Information in ESI possession.

8.4 Protection of Confidential Information. Notwithstanding the "Dispute Resolution" Section of this Agreement, the Receiving Party acknowledges that the Disclosing Party shall have the right to take all reasonable steps to protect the Disclosing Party's confidential and proprietary interests, including, but not limited to, injunctive relief in a court of law or equity and any other remedies as may be available at law or in equity in the event the Receiving Party does not fulfill its obligations under this Section.

8.5 Survival of Confidentiality Obligations. Each party's obligations of confidentiality pursuant to this Section for all Confidential Information disclosed between the parties during the term of this Agreement shall survive the expiration or termination of this Agreement as follows: (i) for Confidential Information consisting of trade secrets, for so long as such information remains a trade secret of the disclosing party or for five (5) years following the expiration or termination of this Agreement, whichever is longer, (ii) for Confidential Information consisting of the disclosing party's Client information or ESI's suppliers' information, indefinitely, and (iii) for all other Confidential Information, for five (5) years following the expiration or termination of this Agreement.

8.6 Termination of This Agreement. Upon termination of this Agreement or upon the Disclosing Party's written request, the Receiving Party agrees to terminate all use of the Disclosing Party's Confidential Information and to either to return to the Disclosing Party all copies of the Disclosing Party's Confidential Information in its possession or under its control or to provide the Disclosing Party with a written notice from one of the Receiving Party's authorized representatives certifying that all copies of the Disclosing Party's Confidential Information in the Receiving Party's possession or control have been destroyed; provided, however, the Receiving Party may (at its option, but not its obligation) keep a copy of the Disclosing Party's Confidential Information in its archives, and the provisions of this Section shall continue with respect to such Confidential Information. Notwithstanding the foregoing, in no event shall any Client Confidential Information, including, without limitation, the Client Data, that is entered into or shared in the Juvare Exchange be returned to Client or removed from the Juvare Exchange; Client understands and acknowledges that any Client Confidential Information, including, without limitation, the Client Data, entered into the Juvare Exchange is visible and viewable by other Juvare Exchange users and is not secure or held confidential.

9. **Proprietary Interests.** The Software and Documentation, and all copies thereof, shall remain the exclusive property of ESI and/or its third-party licensors. All applicable rights to copyrights, trademarks, logos, patents and other intellectual property shall remain vested in ESI and/or its third-party licensors. Client shall not claim, register, alter or modify, any interest in such copyrights, trademarks, patents or other intellectual property, nor shall Client nor attempt to do any of the foregoing. Client shall not translate any of the ESI trademarks into any other language or alphabet. Notwithstanding the foregoing, Client shall always have title to data input and output arising out of the use of the Software, and any computer programs developed by or for Client using output of the Software as input to another source, and which do not include any logic and code of the Software, and such shall remain the exclusive property of the Client. Client acknowledges and agrees that ESI may seek equitable relief at any time to remedy a violation or threatened violation of the restrictions set forth herein regarding the use and protection of the Software and Documentation.
10. **Copying of Documentation.** Client may make as many copies of the Documentation as necessary for Client's internal purposes, provided the Client shall not modify or alter the content or appearance of the Documentation, modify or alter the appearance of any ESI trademark or logo in the Documentation, or eliminate any references to ESI, WebEOC or other ESI Software in the Documentation and provided that the Client shall reproduce and distribute the ESI copyright and notices page contained in the Documentation with all such copies and maintain the confidentiality of the copies and destroys or returns such copies in accordance with Section 8 (Confidentiality) above.
11. **Support Services.** During the Term of this Agreement and provided Client is not in violation of this Agreement, ESI will provide Support Services (all as further defined in Exhibit B hereto; Exhibit B is herein incorporated and made part of this Agreement by this reference) for the Software during the Standard Business Hours consisting of the following: (i) ESI will use reasonable efforts to maintain the Software to comply with the applicable Documentation in all material respects, and (ii) if and when made generally available through Support Services to ESI's other customers receiving Support Services, providing subsequent releases and versions of the Software for use consistent with ESI's then current policies. All Software Updates received by Client shall be subject to the terms of this Agreement. Support Services shall not include, and ESI shall not be responsible for, failures of the Software to perform consistent with the Documentation, specifications, requirements and other details set forth in Exhibit A or any subsequent amendments or quotes hereto in all material respects resulting from or caused by Client, Client's hardware and equipment, Client's connection to the Software, third party service providers, including, without limitation, communications services providers, or otherwise disclaimed elsewhere in this Agreement.
12. **Hosted Services.** During the Term of this Agreement and provided Client is not in violation of this Agreement, ESI will provide Hosted Services, as set forth in Exhibit D hereto, for the Software during the Standard Business Hours. Exhibit D is herein incorporated and made part of this Agreement by this reference.
13. **Consulting Services.** ESI will provide the Consulting Services set forth in Exhibit E hereto for the Fees for such professional services as set forth in Exhibit C and Exhibit E, if any. Exhibit E is herein incorporated and made part of this Agreement by this reference.
14. **Warranty.**
14.1 Warranty by ESI. For new Software provided pursuant to the Subscription purchased by Client pursuant to this Agreement (for instance, merely adding additional Users to the Subscription for use with the Software would not be considered new Software), ESI warrants that, for a period of sixty (60) days from the Installation (the "Software Warranty Period"), the Software, when used in accordance with the applicable Documentation and this Agreement, will perform in compliance with the specifications for such Software as set forth in the Documentation in all material respects. In the event the Software fails to perform as warranted herein during such Software Warranty Period, and ESI receives written notice of such failure from Client following the first occurrence of such failure (and in all events prior to the expiration of the Software Warranty Period):
- a. ESI shall use all reasonable efforts to correct any reproducible error condition reported to ESI in such written notice during the Software Warranty Period as soon as reasonably possible (not to exceed 45 days) following receipt of such written notice;
 - b. if ESI is unable to resolve such failure to comply with the warranty as provided above through either a correction or reasonable work around, Client may terminate the applicable order only (in its entirety) without penalty or liability for any amounts payable (other than charges and fees incurred prior to the effective date of such termination) on written notice to ESI that is received by ESI within 3 business days of the expiration of the 45 day "cure period" for any failure to comply with the warranty, and ESI shall, within thirty (30) days following the effective date such termination, refund to Client the pre-paid unused amounts paid by Client pursuant to the terminated order during the 60 day period prior

to the effective date of such termination. Additionally, to the extent not already waived or expired as provided above, all rights of termination by Client pursuant to this Section shall expire to the extent ESI has not received a written notice of termination pursuant to this Section prior to the expiration of the Software Warranty Period;

- c. In the event of termination of an order as provided in this Section, Client shall not be obligated to pay any additional charges or fees payable pursuant to such terminated order for the period after the effective date of such termination; and
- d. The limited warranty provided hereunder (including ESI's obligations to restore Software and provide corrections and Client's rights of termination pursuant to this Section) shall not apply to Software to the extent it has been modified by other than ESI (or its contractors or agents), modified at Client's request, or not used in accordance with the requirements of this Agreement, the Documentation, specifications, and the Quotes or order forms. ESI does not warrant that the Software will operate uninterrupted or error free, that all errors can be corrected, or that it will satisfy Client's requirements.

This Section sets forth Client's sole and exclusive remedy, and ESI's entire liability, for the failure of the Software to satisfy the warranty described in this Section. Any refunds pursuant to this Section shall be applied against any limitations of liability set forth in this Agreement.

ESI shall have no obligations pursuant to this Section for claims under this Section for which Client does not provide ESI written notice prior to the expiration of the Software Warranty Period.

In addition to the terms above, any termination of an initial Quote or Order pursuant to this Section shall also terminate this Agreement.

14.2 Warranty by Client. Client represents and warrants that (a) the performance of its obligations and use of the Software by Client and its Users, including, without limitation, any Administrators or Sub-Administrators, if any, will not violate any applicable laws or regulations, ESI's rules and regulations or cause a breach of any agreements with any third parties; (b) it will not interfere with ESI's systems or the use of any services or systems by other ESI's clients; (c) it will not provide or enter any Client Information or Client Data into the Software or Systems that may or does contain protected health information under Health Insurance Portability and Accountability Act of 1996 ("HIPAA"); (d) it will not provide or enter any Client Information or Client Data into the Software or Systems that may or does contain personal data as regulated by the General Data Protection Regulation 2016/679 (the "GDPR"); and (e) it will not send any notifications, be it SMS, email, text, pager alerts, phone calls, using the Software or Systems without obtaining the consent of any User or recipient as required by applicable laws, statutes, or regulations. In the event of any breach of any of the foregoing Client warranties, in addition to any other remedies available at law or in equity, ESI will have the right, in its sole reasonable discretion, to terminate or suspend immediately any related Software if deemed reasonably necessary by ESI to prevent any harm to ESI, its Clients and/or its business. ESI will provide to Client notice (email being sufficient) of such termination or suspension of the Software and, in ESI's sole discretion if an opportunity to cure the breach if practicable depending on the nature of the breach, ESI may provide the Client with an opportunity to cure such breach and if cured, in ESI's full satisfaction, ESI may restore the Software or access to the Software.

15. Disclaimers.

15.1 ESI DISCLAIMS ALL OTHER WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING BUT NOT LIMITED TO, IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, WITH RESPECT TO THE SOFTWARE AND/OR ACCOMPANYING DOCUMENTATION. NO ORAL OR WRITTEN ADVICE OR INFORMATION PROVIDED BY ESI OR ANY OF ITS AGENTS, EMPLOYEES OR CONTRACTORS SHALL CREATE A WARRANTY, AND CLIENT IS NOT ENTITLED TO RELY ON ANY SUCH ADVICE OR INFORMATION. ESI EXPRESSLY DISCLAIMS ANY WARRANTY THAT THE SOFTWARE WILL OPERATE UNINTERRUPTED OR FREE OF ERRORS.

15.2 THE SOFTWARE AND ANY SERVICES THERETO ARE NOT COMPLIANT WITH THE REQUIREMENTS OF THE HIPAA.

15.3 The Software is an information management application. The software is not fault-tolerant and is not designed, manufactured, or intended for use or resale in hazardous environments that require fail-safe performance such as in the operation of nuclear facilities, aircraft navigation or communications systems, air traffic control, emergency response, terrorism prevention or response, life support or weapons systems (collectively "High Risk Activities"), the failure of which could lead to death, personal injury, or severe physical or environmental damage. ESI EXPRESSLY DISCLAIMS ANY WARRANTY OF FITNESS FOR HIGH RISK ACTIVITIES. Client agrees to indemnify, defend and hold ESI, and its affiliates, officers, directors, employees, agents, subcontractors, licensors, successors, and assigns harmless from and against any and all liability, losses, claims, expenses (including attorneys' fees), demands or damages of any kind, including direct,

indirect, special, punitive, incidental, or consequential damages, arising out of or in connection with the Client's use of the Software for High Risk Activities.

16. Fees and Payment Terms.

Exhibit C is herein incorporated and made part of this Agreement by this reference. 16.2 Travel Expenses and Additional Charges. To the extent that the Software and services provided hereunder may require ESI to travel, Client shall pay Travel Expenses reasonably incurred by ESI in connection with such travel. ESI shall invoice Client for Travel Expenses on a monthly basis as incurred. Travel Expenses are in addition to any charges set forth in this Agreement or any Quote hereto. Other additional charges may be required should Client elect to: (a) use the Software on more than one (1) Instance; (b) increase the number of named users who may access the Software; (c) increase the number of non-production instances of the Software; (d) additional Software; (e) upon renewal; (f) increase storage capacity; or (g) as otherwise required by the Agreement.

16.3 Renewal Charges. At least sixty (60) days prior to the expiration of the Initial Period (as defined in Exhibit A) or a then current Renewal Period, ESI may notify Client of the current fees for Software and Support Services, and invoice Client for such fees for the Renewal Period so that such amount is due and payable prior to the commencement of such Renewal Period. ESI shall be entitled, in its sole discretion, to increase the fees for the Software and Support Services.

16.4 Suspension of the Software, Services and Support Services. Without limitation as to any other rights or remedies of ESI under this Agreement, ESI reserves the right to immediately suspend Client's access to and use of the Software and the Services (including, without limitation Support Services), without notice to Client, if any charges or fees payable to ESI are past due and not paid within the time frame set forth in Section 16.1 or elsewhere in this Agreement or an Exhibit, Statement of Work or Quote hereto, as applicable. Client agrees that ESI shall have no liability to Client, and Client waives any claim or action against ESI in the event of suspension or termination of access to or use of the Software and the Services for Client's failure to timely pay charges. Client's payment obligations shall continue during any period of suspension pursuant to this Section.

16.5 Taxes. All amounts charged by ESI are exclusive of, do not include, and Client shall be solely responsible for payment of, all sales, excise, use, value added, or other taxes, tariffs and duties that may be applicable to the Software and Services, except for any taxes based upon ESI's net income, assets or worth. ESI shall invoice Client for amounts it is obligated to collect or is allowed to recover as such taxes, tariffs and duties. Client's obligations for the payment of taxes, tariffs and duties payable hereunder shall survive the expiration or termination of this Agreement. If the transaction or the Client is exempt from taxes, ESI will not charge tax provided that Client timely provides ESI with a valid exemption certificate or other evidence of such exemption in a form reasonably acceptable to ESI. To the extent permitted under applicable laws and regulations, ESI will not charge tax on transactions for the electronic delivery of the Software and Services.

ESI SHALL HAVE NO LIABILITY OF ANY KIND IN THE EVENT CLIENT'S RECORDS OR OTHER DATA SUBMITTED FOR PROCESSING ARE LOST OR DAMAGED.

18. Termination.

18.1 Termination for Cause. This Agreement or any Exhibit or Quotes hereto may be terminated as follows:

The waiver of a breach of any provision of this Agreement will not operate or be interpreted as a waiver of any other or subsequent breach.
- b. **Governing Law.** This Agreement shall be governed by, and interpreted in accordance with, the laws of the State of Georgia (United States of America) regardless of application of choice of law rules or principles. This Agreement expressly excludes the United Nations Convention on Contracts for the International Sale of Goods. Unless otherwise elected by ESI at its option and in writing for a particular instance, the sole jurisdiction and venue for actions related to the subject matter hereof shall be the state or United States District Court having within its jurisdiction the location of ESI's principal place of business in Atlanta, Georgia. The arbitrator shall render any monetary award in U.S. dollars. Notwithstanding the foregoing, the parties reserve the right to seek injunctive relief in a court of competent jurisdiction to protect any intellectual property rights and to prevent the release of Confidential Information.

Either party desiring to rely upon any of the foregoing as an excuse for non-performance, default or breach, shall, when the cause arises, give to the other party prompt notice of the facts that constitute such cause and when the cause ceases to exist, give prompt notice thereof to the other party.
