For those without internet access the survey can be filled out below and submitted to the Housing Authority of Savannah Offices at 555 West Bay Street,

As part of the restoration of this park space the idea of renaming it was raised by those working on the project.

This space was envisioned to function in the same capacity as any of our historic Squares (a community gathering space for adjacent residents, central public greenspace, memorial for people and events) and as such the feeling is that this space should be given the same consideration when selecting a name. Now we would like to know your thoughts.

Do you believe the official name of this space should be (circle one):

1. Yamacraw Art Park (current name)
2. Yamacraw Park
3. Yamacraw Square
