L/DBE SCORING WORKSHEET (Part 2B)

Bid with City Goals (Responsive or Non-Responsive Scoring)

L/DBE participation goals presented below represent the total verified participation for each Bidder and may not match the participation levels submitted by Bidders if one or more L/DBEs or M/WBEs could not be verified as either certified, performing the type of work listed, or agreeing to participate in the project. For Bids, proposed participation goals must independently meet or exceed the City-established DBE and LOCAL goals for the bid to be deemed "Responsive." If either or both of the DBE or LOCAL goals are not met or exceeded by the Bidder, the bid is deemed "Non-Responsive." *Contact SBO staff if assistance is needed.*
