- Robert McCorkle, representing the petitioner

She was notified of this housing project by the MPC, given that she has property in that area. She asked if there was anything else going there.

Mayor Johnson asked how the motion would be fashioned, so that the agreement which was reached is codified as a condition of their approval.

City Attorney Lovett stated the easiest way is to ask Mr. McCorkle if he consents, then the City Attorney asked Mr. McCorkle if he consented to the request made by Ald. Leggett. Mr. McCorkle indicated he was not at the meeting, but his client agreed to have one of the units be affordable, so he will consent.

Mayor Johnson noted this matter was heard by the Historic Sites & Monuments Commission, who recommended denial. He further stated Council and the public recognizes the relationship between our Commissions which we appoint. The Commissions are recommending bodies, and we appreciate their work and service. Ultimately the City Council decides. Although it (the agenda item) is not a public hearing, he will allow some comment on it outside of our normal process.

Mayor Johnson recognized that he has four people who completed speaker cards that are in support of the request.

- John Trussell - IN SUPPORT
- Jeffrey Loomis - IN SUPPORT
- Valerie Kuhn Granzow - IN SUPPORT
- Ty Butler - IN SUPPORT

Ald. Purtee moved to approve item #29, seconded by Ald. Leggett. The motion passed unanimously, 8-0-1. Ald. Wilder-Bryan was absent.

Ald. Miller Blakely asked if they could give a history on Marquis de Lafayette.

Mayor Johnson asked Municipal Archives Director Luciana Spracher to come up. She advised the marker is documenting Marquis de Lafayette's visit to Savannah, making the city a part of a larger national trail event. Marquis de Lafayette played a part in bringing together the United States and France, forging relationships and common bonds.

Dressed in vintage attire, John Trussell spoke and petitioned the city on behalf of the American Friends of Lafayette and the Georgia Society of the American Revolution to place a marker in Johnson Square to honor Marquis de Lafayette, better known as General Lafayette. Then he read a prepared statement of history into the record, naming the date for a public ceremony to be held on March 22, 2025.

Ald. Palumbo read into the record historical facts pertaining to this grand, comprehensive tour, and he expressed his appreciation to the advocates.

Ald. Bell asked if anyone was present from the Historic Sights & Monuments Commission to clarify or explain the reason for the denial recommendation. Caitlin Chamberlain introduced herself, as a member of the MPC staff. She said there was a 3 to 2 vote to deny. Reasons for denial included the

overcrowding of Johnson Square, although staff recommended approval. Ald. Bell indicated she saw a rendering of the sign within the packet.

Assistant City Manager Lloyd provided a synopsis of concerns expressed by the Historic Sights & Monuments Commission.

Ald. Miller Blakely asked if John Trussell was related to General de Lafayette. After stating no, Mr. Trussell introduced other supporters who were present and representing the Society of the Cincinnati in the State of Georgia, Savannah Chapter of the American Revolution, Honorary French Consul, and the Daughters of American Revolution.

Mayor Pro Tem Dr. Shabazz welcomed those who were present, and she acknowledged how this item shows the diversity of what we can/should have within our squares within the City of Savannah.
