

RESOLUTION RATIFYING MAYOR'S
NOVEMBER 10, 2020 EXTENSION OF
EMERGENCY MASK OR FACE COVERING ORDER

WHEREAS, on November 10, 2020, the Mayor renewed his Emergency Order Requiring that Face Coverings or Masks be Worn in Public in the City of Savannah during the COVID-19 Public Health Emergency; and

WHEREAS, Section 3-3003 of the City Code requires that any such declaration be confirmed by resolution of the City Council at either a specially called meeting or the Council's next regularly scheduled meeting; and

WHEREAS, the next regularly scheduled meeting of the Mayor and Aldermen of the City of Savannah is November 12, 2020; and

WHEREAS, the Aldermen and Alderwomen of the City of Savannah agree with the Mayor that extending the Emergency Mask or Face Covering Order is appropriate and wish hereby to affirm and ratify that Order.

NOW, THEREFORE, BE IT RESOLVED that the Mayor's November 10, 2020 Renewal of Emergency Order is HEREBY CONFIRMED. In support hereof, the Mayor and Aldermen of the City of Savannah find as follows:

1. The state of Georgia remains under a public health state of emergency as a result of the COVID-19 pandemic.
2. Governor Brian P. Kemp, by Executive Order dated October 30, 2020, renewed the public health state of emergency through Wednesday, December 9, 2020.
3. On October 30, 2020, Governor Kemp issued an Executive Order entitled Empowering a Healthy Georgia, which provided that "all residents and visitors of the State of Georgia shall practice Social Distancing...and refrain from Gathering..." and "all residents and visitors of the State of Georgia are strongly encouraged to wear face coverings as practicable while outside their homes or place of residence, except when eating, drinking, or exercising outdoors..."
4. The incidence of infection and death in the metropolitan Savannah area continues to rise signifying the continued spread of the highly contagious and deadly COVID-19 disease.
5. The Centers for Disease Control and Prevention ("CDC") advises that the use of masks or cloth face coverings will slow the spread of COVID-19, and the CDC recommendations on PPE usage are hereby incorporated by reference.
6. Taking measures to control outbreaks minimizes the risk to the public, maintains the health and the safety of the City's residents, and limits the spread of infection in our communities and within the healthcare delivery system.

7. Pursuant to the authority of O.C.G.A. § 38-3-28(a), local governments are specifically empowered to enact rules and regulations as may be necessary for emergency management purposes.

8. O.C.G.A. § 38-3-28(a) also grants political subdivisions the power to supplement the Governor's Executive Orders.

9. This order is intended to be entered with due regard for the uniform principle that masks or face coverings will slow the spread of COVID-19 as contemplated by O.C.G.A. § 38-3-28(c).

10. This emergency order is authorized by O.C.G.A. §§ 38-3-4 and 38-3-28 and the local control provisions of Governor Kemp's Orders of October 30, 2020; and it is specifically intended to supplement such declarations, as amended, and should not be construed to be inconsistent therewith.

11. In the judgment of the Mayor of the City of Savannah, with advice from the City Manager and other subject matter experts, emergency conditions persist within the City requiring extraordinary and immediate corrective actions for the protections of the health, safety, and welfare of the citizens of the City of Savannah.

The Mayor and Aldermen further find that the following actions directed by the Mayor in his Renewal are appropriate and hereby RATIFIED:

1. All persons entering any commercial establishment in the City must wear a face covering or mask while inside the establishment. In addition to the fines established by this paragraph, repeated violations of this Order by a person who owns, manages, operates, or otherwise controls a business subject to this Order may, subject to all procedural protections set forth in the City Code, result in being declared a public nuisance, which may be abated by the City as provided by law. The foregoing notwithstanding, every effort shall be made to bring the business into voluntary compliance with the terms of this Order prior to the issuance of any citations. For purposes of this paragraph, “person” shall be defined as any individual associated with the business who has the control or authority and ability to enforce the Social Distancing requirements of the Governor Kemp’s Executive Orders, as amended, within the business such as an owner, manager, or supervisor. “Person” may also include an employee or other designee that is present at the business but does not have the title of manager, supervisor, etc., but is vested with the authority and ability to ensure that the requirements of this Order are met while the business is open to the public.

The Mayor and Aldermen hereby DIRECT and AUTHORIZE the City Manager to undertake all steps necessary to carry out the Mayor's Renewal Order as may be appropriate and lawful.

ADOPTED AND APPROVED this 12th day of November, 2020.
