Hi Melanie,

DCA has completed its review on the Comp Plan for Savannah and Chatham, and found that it adequately addresses the minimum standards. You may proceed with adopting the plan. Once adopted, please send us the adoption resolution from Savannah and Chatham, as well as the final formatted version of the plan. We will then submit it to DCA for them to extend the QLG statuses.

Please feel free to reach out if you have any questions.

Additionally, please note that the addition of a Future Land Use Map to the comprehensive plan will require an amendment to the adopted plan and reviewal by DCA.
