

## Security Plan

1. Identification of days and hours of operation: **Location is open 7 days a week. Monday thru Saturday 7Am- 10Pm and Sunday 9am -9pm**
2. Specific measures and procedures to address crowd management both inside and outside the premise: How do you make sure crowds inside your establishment remain orderly? How do you ensure crowds outside (i.e. lines, smokers, etc.) your establishment remain orderly? **No Loitering signs are placed in plain site and employees are to monitor the property visually and thru security cameras and call 911 in case of emergency.**
3. Identification of any parking areas owned or controlled by establishment: Where do your customers/patrons park when they're at your establishment? **Our customers are only allowed to park on our parking lot..**
4. Means of controlling access to the premises and parking area: How does your establishment control who comes in and out of your establishment? How do you control who uses your parking areas? **Parking lot if only open to patrons of the business and during operating hours only. All of vehicles will be towed at owners expense.**
5. Security Staffing: **No Security staffing on site. Employees are to call 911 in case of emergency.**
6. Measures used to combat underage consumption of alcoholic beverages: What do you/your employees do to ensure that individuals under that age of 21 are not allowed to buy/consume alcohol at your establishment? **Ask for Drivers License and scan in the Ruby Register Scanner. Accept DOB Scanned. If the scan is not accepted, enter DOB in manually(double check before moving forward). Confirm picture of Driver's License to person at counter.** If all is correct and the license provided a valid date, make the sale. IF any reason of doubt or concern against the customer then DO NOT MAKE THE SALE. Return ID to customer.
7. Measures used to distinguish between patrons who are over and under the age of 21, where applicable: **Ask for Drivers License and scan in the Ruby Register Scanner. Accept DOB Scanned. If the scan is not accepted, enter DOB in manually(double check before moving forward). Confirm picture of Driver's License to person at counter.** If all is correct and the license provided a valid date, make the sale. IF any reason of doubt or concern against the customer then DO NOT MAKE THE SALE. Return ID to customer.
8. Measures and procedures to combat the risk of fire: **Monitor the property visually and thru security cameras and call 911 in case of emergency.**
- 9) Discuss matters related to managing emergencies, such as fires, evacuation tactics, assignment of employee duties during emergencies, and coordination with public safety. **In case of emergency evacuate everyone from the store, call 911, and then call your manager.**
