

Security Plan for Klom Klom Thai Restaurant:

Operating Schedule:

Klom Klom operates from Monday through Saturday, closing on Sundays.

Hours of operation are from 11:00 am to 10:00 pm.

Interior Layout and Surveillance:

The restaurant has a total area of 1092 sq feet with approximately 40 seats.

One camera is installed inside the building, positioned in front of the counter.

The shopping center owner has "no loitering" signs posted throughout the center.

Parking Facilities:

There is a large parking lot around the shopping center, provided through the Kroger Shopping Center.

Entrance Protocol:

All customers must enter through the front door of the restaurant.

Security Personnel:

The restaurant does not have dedicated security officers.

ID Verification:

All servers are trained to ask and check IDs when customers order alcoholic beverages.

Family-Friendly Policy:

Klom Klom is primarily a family food business.

Ninety-five percent of services are from food sales.

Families are allowed into the establishment.

All customers ordering alcoholic beverages are ID-checked.

Fire Safety Compliance:

Klom Klom has followed all fire codes before receiving the business license.

Several fire extinguishers are located at various points throughout the restaurant.

The main entrance, located less than yards away from seating areas, serves as an emergency exit.

Emergency Procedures:

Customer safety is the top priority.

Team members are trained to notify the appropriate department in case of emergencies.

By implementing these security measures, Klom Klom Thai restaurant aims to create a safe and secure environment for both customers and staff while adhering to the City of Savannah's safety planning requirements for establishments selling alcoholic beverages.
