

Safety Plan Form

Name: Brandon Aguilar

Establishment: Birria Spot

Address: 501 Montgomery St., Savannah, GA 31401

Date: 5/14/2026

1. *Identification of days and hours of operation.*

Monday – Closed

Tuesday – Saturday 11am-9pm

Sunday 11am-6pm

2. *Specific measures and procedures to address crowd management, both within and outside the premises.*

Communicate with customers to form single file lines and not block any emergency exits. We have a total of six cameras. Camera 1 is located in the main dining area.

Camera 2 is located at the front entrance pointing behind the cash register area.

Camera 3 is located near the front counter/bar area. Camera 4 is located in the hallway where both bathroom entrances are located. Brandon Aguilar (478) 954-3421.

3. *Identification of any parking areas either owned or controlled by the licensee.*

Customers park along Montgomery st., which is free public street parking. I don't control the parking, Parking is strictly city parking.

4. *Means of controlling access to the premises and parking areas.*

Everyone of all ages is welcome at birria spot. We really don't have a way of controlling who comes in and out of our restaurant. We also have no control over parking because it is all city owned parking.

5. *Security Staffing.*

No we do not use security guards. We do not employ off duty savannah police.

6. *Specific measures and procedures to combat underage consumption of alcoholic beverages.*

Asking customers to show a valid ID and entering the DOB into our POS to allow the purchase of the alcoholic beverage.

7. *Specific measures and procedures to combat the risk of fire.*

We have three emergency exits, pull stations for fires, sprinkler heads, and fire extinguishers in the main lobby. We do not have a fire prevention plan. Our grease traps are regularly cleaned by a certified company.

8. *Discussion of matters related to managing emergencies, including fire, evacuation tactics, assignment of specific emergency management duties to personnel, coordination with public safety officers and emergency medical matters.*

All the employees know that the customers must be evacuated first through designated emergency exits. The person in charge makes sure that all his employees are evacuated from the premise. The person in charge will be the last person to leave the premise.

9. *Where applicable, discussion of measures the licensee will undertake to visibly distinguish between patrons under and over the age of 21.*

You must show a valid ID to purchase any alcoholic beverage. Our restaurant allows persons under 21 to enter. We are mainly a food restaurant. Customers that wish to purchase alcohol must show a valid state issued ID.
