

Safety Plan Form

Name: Brissa Olivares

Establishment: OMELETTE CAFE

Address: 49 west montgomery Savannah ga 31406

Date: 5/26/2026

1. *Identification of days and hours of operation.*

Monday-Sunday 6am to 3pm alcohol will be available for sale starting at 7am
Monday- Saturday and Sunday starting at 12noon .

2. *Specific measures and procedures to address crowd management, both within and outside the premises.*

We have a seating area for to go orders customers enter we greet them with a goodmorniing you may sit at any clean table that way we dont have a line waiting to be seated, we do not have a designated smoking area around our building area but if any customer needed there is an area beside the building outside we do not have a no loitering sign but we do have a no public restroom and no soliciting sign in the front door front side building, we have 10 cameras total 2 front side building outside and 2 left side building outside and 6 inside building 1 in the hallway restroom area 1 in the dining area 2 in the kitchen line 1 in the back kitchen and 1 in the office the server supervisor in charge of camera access is Shanice Patman 912-856-9955 We do not have a cover charge at any time and we operate same throughout our day serving breakfast and lunch

3. *Identification of any parking areas either owned or controlled by the licensee.*

We have do not have any reserved parking for the restaurant only public plaza parking

4. *Means of controlling access to the premises and parking areas.*

We do not have control of the parking area but we do have 4 cameras outside 2 in front building and 2 side building if anything needed to be looked at no signs at the parking spaces

5. *Security Staffing.*

We do not have any security staff if we needed help or felt in danger we reach out to the non emergency line or 911 depending on the severity of the situation

6. *Specific measures and procedures to combat underage consumption of alcoholic beverages.*

All servers will strictly ask for identification as we do not have an age limit to come inside the building also we are looking into obtaining identification scanners so we can enforce identifying verification we will never serve any alcohol beverage without seeing identification to verify age

7. *Specific measures and procedures to combat the risk of fire.*

We have fire inspections and we have hood water system and fire extinguisher we ha no had any fires in my time being here everything run pretty smoothly

8. *Discussion of matters related to managing emergencies, including fire, evacuation tactics, assignment of specific emergency management duties to personnel, coordination with public safety officers and emergency medical matters.*

First we make sure everybody is out of the building we do not have any specific duties but every employee knows whoever is able to pick up their phone fastest call 911

9. *Where applicable, discussion of measures the licensee will undertake to visibly distinguish between patrons under and over the age of 21.*

As a breakfast restaurant minors are allowed to enter but if we needed to distinguish their age to be able to obtain a mimosa they will strictly need an identification we will not go by looks
