Safety Plan Form

Name: Ralph Grayson

Establishment: - The Whiskey

Address: 224 W. Bay Street Savannah, Ga. 31401

Date: 10/22/2026

1. *Identification of days and hours of operation*.
   M-W 2pm-12am, Th 2pm-2am, Fri-Sat 12pm-3am closed Sundays
2. *Specific measures and procedures to address crowd management, both within and outside the premises*.
   When there is a crowd at the door it is only because we are at capacity. That line is monitored by the door security. Any loitering while not waiting in line is prohibited. Smoking outside out door is considered loitering and is not allowed. We have "No Loitering" signs posted at the entrances and have a camera system in place that we allow SPD access to as needed where footage is saved for a minimum of 90 days. Owners and managers have access to the camera system as well. We are a 21 year old and older establishment and have no cover charge.
3. *Identification of any parking areas either owned or controlled by the licensee*.
   No public parking provided, all customers utilize City of Savannah parking
4. *Means of controlling access to the premises and parking areas*.
   All incoming guests are monitored by staff and there is no parking. We have door security present at all entrances, a camera system, Bar tenders who hold Server Permit Cards.
5. *Security Staffing*.
   We employ door security every night at each entrance. The addition of roamers as needed on weekends and special occasions when necessary. Training is done in house. Door security present from 7pm until close each night.
6. *Specific measures and procedures to combat underage consumption of alcoholic beverages*.
   Anyone entering the building is verified to be over 21 years old. If a door security person is not at a station, all sales are verified by ID at the time of sale and the POS system(SpotOn).
7. *Specific measures and procedures to combat the risk of fire*.
   Fire safety plans are in place and available. Fire extinguishers are on each floorand all equipment is checked and verified yearly by the Fire Marshall's office. We provide in house training on the proper use.

8. *Discussion of matters related to managing emergencies, including fire, evacuation tactics, assignment of specific emergency management duties to personnel, coordination with public safety officers and emergency medical matters*.
   Full safety plans are included in the Safety Folder. Manager on duty is the first to contact 911 in any event. Staff and guests are to evacuate in a fire. Training is done yearly and kept on file. EMS, Police and Fire Department will take lead upon arrival.
9. *Where applicable, discussion of measures the licensee will undertake to visibly distinguish between patrons under and over the age of 21*.
   Anyone entering the building is verified by door security and or Bar tenders by ID to be over 21 years old and are trained in house and by Server permit training.
