**1. We are open seven days a week 8AM to 2:30 PM**

**2. /How to obtain a crowd for crowd control.**

**/There's a sign in the weight area to be seated. This keeps everything orderly and under control.**

**/We do have cameras outside and inside of the building, we have short hours every day no change of staffing.**

**/ If we ever have a problem, the staff is trained to get me or a manager on duty.**

**/ No cover charge. we do not have a parking area people park on the meters or walk in from their work environment.**

**7No entertainment and no door monitor needed.**

**3. We do not have a parking lot.**

**4. There are no parking signs in our parking lot, but the hotel/ We are a public restaurant.**

**/We do have cameras out front and on the side of the building and inside the building**

**5. We do not have security guards**

**6. Everybody is welcome.**

**We will ID everyone that orders a cocktail.**

**/I feel if you ID everyone that would be not a problem.**

**7. We have a full fire service from Hendrix Fire. we have our fire extinguishers out by the doors and also over the hood. And we also have it checked on a regular to basis.**

**8. Our employees have been trained. If there is a fire, we would go out the back of the restaurant and there's a stairwell there to leave the employees in the front of the house would used to stairwell in the front of the restaurant or on the side by the register. Making sure all customers leave before them.**

**7no certain duties for each employee everybody should be on the same page doing what is expected.**

**/If we need the police dial 911 and let them handle whatever needs to be done.**

**9. Yes , our restaurant allows underage people into it. However if they order a cocktail wig, will ID**
