1, Etang dim sum restaurant open 7 days a week  
11am-10pm

2, we are dine restaurant, we are not that cowds.  
We have 12 table inside, if people waiting, we  
will tell them waiting on bar.

We have 4 cameras, inside.

If the table and bar is full, we will let customer  
wait in the front area or outside.

We have 3 cameras in the dine area and 1 in the  
kitchen. I have the access to the cameras, and it  
held for a week.

3, customer park in the public parking.

4, parking public

5, we do not have security.

6, we use phone to check the age, if they born  
1990, we use  $2024-1990=34$ .

7, everyone can come in to restaurant, but only  
21 years older can drink.

8, we have fire extinguisher, in the kitchen have  
fire protect system. We have 2 fire extinguisher ,  
one in dine area and one in kitchen. In the  
kitchen is automatic fire suppression system ,  
and it is inspect by PYE BARKER.

9. when emergency happen, each employee have their own duties, employee have trained already. We will contract 911 and EMS first and some emergency happen.

Employee duty: call 911 and provide clear information, direct customer to safety.

Employee responsibilities: assist customers and make sure they evacuate safely, shutting down all cooking equipment, communication with emergency service.

Employee training: including how to evacuate , contact emergency service and fire safety training.
