

1. Identification of the days and hours of operation?
 - o What days of the week is your business open?
 - o For each day, what time is your business open?

Open seven days a week. Mon-Fri 5:30 am - 11pm, Sat 6am 11pm, Sun - 7am-10pm.

2. Specific measures and procedures are needed to address crowd management within and outside the premises.
 - o How do you keep Crowds inside your establishment orderly?
 - o How do you ensure that your establishment remains orderly for crowds outside (i.e., lines, smokers, etc.)?
 - o Do you have any "no loitering" signs? If so, how many do you have, and where are they?
 - o Do you have any cameras? If so, how many do you have, and where are they? Who has access to the footage, and what are their names and contact details?
 - o Do you have a cover charge? Is it all day or at certain times or days?
 - o Do you have a transitional period where you operate differently? (Cover charge at the door starts, Menu changes or kitchen closes, Live entertainment Starts, Door person stops, letting in under 21)

When needed, we limit the number of people who come in the door. During such times, someone is at the door to let customers in and out. We have no loitering signs posted. If we see people loitering outside the premises, we kindly ask them to leave immediately. If they refuse, we call the authorities and have them removed from the property. Yes, we have two signs, each on both sides of the building by the door. Yes, we do have a camera system. They are located inside and outside the entire establishment. For access to the footage, the Contact name is Neha Patel (912) 217-7447. No, we do not have a cover charge. No, we do not have a change in operation.

(We have around 15 cameras, 10-Inside Store: 2-In cooler : 3-Outside and the footage is stored for 7 days)

3. Identification of any parking area either on or controlled by the licensee.
 - o Where do your patrons park when they are at your establishment?

It's an open parking lot, and most guests park on the side of the building or at the pump.

4. Means of controlling access to the premises and parking area.
 - o How does your establishment control who comes in and out of the premises?
 - o How does your establishment control who uses the parking area?
 - o For example, would there be cameras, security guards, signs, gates, etc.?

It is a gas station with a convenience store, so we cannot control who drives in and out of the parking lot, but we do have cameras around the establishment to keep track of who's going in and out. During operational hours, any Customer who is coming to purchase from the store can use the parking lot.

5. Security staffing.
 - o Do you use a security guard? If so, How many? How often do you use them? Are they trained, or are they hired through a third-party company? Are you an employee of duty or a Savannah Police Department officer? If so, How many and how often? They will be working at least days of the week and time.

No, we do not.

6. Specific Measures and Procedures To combat underage consumption of alcoholic beverages.
 - o What does the establishment do to ensure that individuals under the age of 21 are not allowed to buy or consume alcohol? Be as specific as possible.

We request customers to show their driving licenses when purchasing alcohol and tobacco to verify that they are over the age of 21. Our system is designed to verify age at every transaction. A pop-up on the screen will show and ask for verification of age.

7. Specific measures and procedures to combat the risk of fire.
 - o What has been done at your location to help ensure there is no accidental fire?

This is a gas station/convenience store, and if there is an accident, all staff are trained to shut off all the pumps with the emergency push-button switch. We also have fire extinguishers and sand bags, and all Staff are trained on how to stop the fire.

8. Discussion of matters related to managing emergencies, including fire and evacuation tactics, assignments of specific emergency management duties, personnel coordination with public safety officers, and emergency medical matters.

- In the event of an emergency, how is your staff trained to evacuate? Every employee tries to make sure to evacuate all the guests, and once they are evacuated, they are trained together in an area away from the building and the pumps.
- Do employees have certain duties during emergencies? All employees are trained the same way as myself. They are trained to shut off all the pumps first, use the fire extinguisher if needed, or use the sand.

How does your establishment contact or work with police and EMS during an emergency? We will call 911 and notify the manager and owner to explain the situation. Usually, employees can handle most of the incidents, but if the manager and owner need to be present, they will make sure someone is available.

9. Where applicable, the licensee will discuss measures to visibly distinguish between patrons under and over the age of 21.

- Does your establishment allow individuals under 21 years of age to enter? If so, How does your establishment identify and distinguish those 21 and over from those 20 Years of age and under? Be specific about the measures taken.

Yes, we do allow individuals under the age of 21 to enter. When they purchase tobacco or alcohol, we request that customers show their identification at the time of purchase to verify if they are 21 years of age or under. Our system also has an age verification pop-up whenever you scan tobacco or alcohol products.
