Security Plan

- 1) Identification of days and hours of operation: What days of the week is your business open? Foreach day what time is your business open?**
 - Monday thru Saturday 12 noon - 2:30 am

- 2) Specific measures and procedures to address crowd management both inside and outside the premise: How do you make sure crowds inside your establishment remain orderly? How do you ensure crowds outside (i.e. lines, smokers, etc.) your establishment remain orderly?**
 - Guests are counted upon entrance by security staff and then managed while inside the bar by that same staff. Over serving nor overcrowding is not allowed and behavior inside the bar must be appropriate or guests will be asked to leave. Any line outside will be within valet lines and monitored by staff security as well.
 - We do have cameras throughout inside and outside.

- 3) Identification of any parking areas owned or controlled by establishment: Where do your customers/patrons park when they're at your establishment?**
 - No parking provided, all customers will utilize City of Savannah parking.

- 4) Means of controlling access to the premises and parking area: How does your establishment control who comes in and out of your establishment? How do you control who uses your parking areas?**
 - All incoming guests are met by a door security to check their ID and count them into the capacity. No parking available.

- 5) Security Staffing: Do you use Security Guards? If so, how many? How often do you use them? Where they trained "in house" or by a company? If they were trained by a company, provide the name(s). Do you employ Off-Duty SCMPD officers? If so, how many and how often?**
 - Security is used and trained in house. All nights there will be at least one security guard at each door (2). On weekends and special occasions, additional will be hired. We do not employ off duty officers.

- 6) Measures used to combat underage consumption of alcoholic beverages: What do you/your employees do to ensure that individuals under that age of 21 are not allowed to buy/consume alcohol at your establishment?**
 - All guest have their ID checked upon entrance. Only over 21 with a valid ID is allowed in. Door security is trained in identifying a real ID card. We do not use an ID scanner.

- 7) Measures used to distinguish between patrons who are over and under the age of 21, where applicable: Does your establishment allow individuals under 21 to enter? If so, how do you identify people who are 21 and over from those who are under 21 years of age?**
 - Not allowed.

- 8) Measures and procedures to combat the risk of fire: What is being done at your location to help ensure there are no accidental fires?**
 - Fire safety plans in place and available, fire extinguishers on each floor, all fire equipment checked and passed by the Fire Marshall yearly.

- 9) Discuss matters related to managing emergencies, such as fires, evacuation tactics, assignment of employee duties during emergencies, and coordination with public safety: In the event of an emergency how is your staff trained to evacuate patron? Do certain employees have certain duties during emergencies? How does your establishment contact/work with police and EMS during an emergency?**
 - Full safety plans included in the Safety Folder. Manager on duty is first to call 911 in any event. Staff and guests are to evacuate in a fire, not to stay behind. Training is yearly and paper copy kept on site. EMS, Police, and Fire Department will be lead and take over upon arrival .
