

White Whale Security Plan
1207 Bull St, Savannah, GA 31401
9/11/24

1) Days & Hours:

Monday - 4pm - 10pm

Tuesday - Friday - 2pm - 10pm

Saturday - 10:30am - 10pm

Sunday - CLOSED

2) Measures and procedures to address crowd management inside & out of premise

Our staff informs patrons to leave when/if they are problematic.

We encourage patrons to move on instead of lingering.

- a) We do not have any no loitering signs, but due to our staff being watchful, we've rarely had an incident in our eight years of operation.
- b) We have security monitored RING cameras installed on premise.

3) Parking

We have no private parking lot at our disposal. Our customers bike, walk, or use the publicly available metered street parking maintained by the City of Savannah.

4) Controlling access to premises and parking.

Our staff controls who comes in and out of our establishment.

We have no parking lot at our disposal.

5) Security staffing

We do not use security guards.

Measures used to combat underage consumption.

All staff registers and completes the City of Savannah Server Training Institute Program.

6) Carding customers

- a) All staff requests a valid ID at the time of patron order; State Driver's License, State issued ID card, Military ID card, Passport All staff verifies the expiration and birth dates to ensure the patron is not underage.

7) Measures used to distinguish between patrons who are over and under age of 21

We do not allow underage patrons in our establishment.

- a) We do not employ stamps or wristbands

8) Measures to combat risk of fire

We have two routinely inspected and tested fire extinguishers in visible locations and our staff is trained on their operation.

We have fire exit safety signs alerting patrons to the nearest exits.

9) Emergency management

Our staff is aware of our exits and where they lead.

Our staff is aware and willing to call police or emergency services as needed.
