Security Staffing:

City Market employs security 20 hours per day for public spaces.

St Patrick's Day and major holidays multiple security personnel hired (current employees from other areas of our company that are trained in -house).

Combat Underage drinking:

All servers and bartenders have Savannah Bar Card.

All employees sign off on RSRG alcohol service policy and procedure.

Carding procedures reviewed at monthly employee meetings.

Multiple placements of "WE CARD EVERYONE" signage throughout location.

Inhouse cameras monitored by management to ensure carding procedures are followed.

Floor Managers monitor bartenders to ensure compliance with company policy.

Each bar location has a "born by" date changed/posted daily so bartender can review ID and match date of birth to this reference date.

Contract with 360 Relay to perform "undercover" visits to confirm strict policy adherence.

Combat risk of Fire:

Fire sensors throughout building monitored 24/7 by Johnson Controls

Fire suppression system over both cooking lines.

Fire suppression system/sprinkler throughout 3 floors.

Fire extinguishers placed throughout facility.

Employees trained on proper usage of extinguishers.

Managing Emergencies (fires, evacuations, etc):

Fire and security systems in place for immediate notification.

Camera video available onsite AND remotely.

Emergency phone contacts published.

Emergency procedures reviewed in manager meetings and posted.

Muster stations assigned per work group.

Individuals assigned for specific location checks to ensure all evacuated.
