As per the applicant:

"Honorary street name designations are intended to recognize individuals who have made significant contributions to the community. The designation is temporary assignment of the honorarium and shall not interfere with the official name of the street. Honorary Street Designations DO NOT change the official name of the street, they are only symbolic."

#### **FINDINGS:**

The following standards apply:

##### ***Article E- Naming and Renaming of Public Property, Facilities and Streets.***

***General policy.*** As a general policy, the Mayor and Aldermen find that public property should be named after its principal function, location, or historical reference; however, significant community events, organizations or well-known persons with important contributions to the community, state or nation may deserve public recognition, which may occur by way of naming or renaming public rights-of-way or facilities.

##### ***Naming criteria and requirements.***

***Criteria.*** Naming or renaming of a public right-of-way or facility shall occur only when the proposed naming or renaming satisfied at least one of the following criteria:

*It honors and commemorates a noteworthy person associated with the City of Savannah, Chatham County, the State of Georgia or the United States of America;*

The standard is met. Linda B. Harris had a notable impact on the Live Oak neighborhood in the City of Savannah as a neighborhood mentor, in particular to young adults.

*It commemorates local history, places, events or culture;*  
*It will strengthen neighborhood identity; or*  
*It recognizes native wildlife or natural geographical features.*

***Exclusions.*** *The following shall not be considered for purposes of naming or renaming:*

*Persons that resided in the City of Savannah for less than five years, other than prominent national figures;*

The standard is met. Linda B. Harris lived in Savannah for decades and had a notable impact on the lives of the residents of the Live Oak neighborhood and the City of Savannah.

*Names assigned to existing public property within the City or unincorporated Chatham County where duplication of the name is likely to lead to confusion; and*

The standards is met. Staff is not aware of any other existing public property with a name duplication.

*Except as set forth in Section 4-1106 of this Article, commercial names where usage of such name would amount to advertising.*

The standard is met. This is not advertising.

***Considerations.*** *Naming requests shall consider:*

*The number of residents and businesses directly affected;*

*Community diversity;*

*The historical significance of preexisting name or location;*

*The appropriateness and compatibility of the request in relation to the existing area;*

*The impact on emergency service delivery; and*

*Continuity and stability.*

The standard does not apply as the honorary street naming will not change the official name of Live Oak Street. However, it will allow for the acknowledgment of the contributions of Linda B. Harris to the Live Oak neighborhood and to the City of Savannah.

***Additional considerations for persons.*** *Requests to name a public right-of-way or facility in honor of a natural person should also consider the following:*

*Absent extraordinary or extenuating circumstances, the proposed honoree shall be deceased;*

*Whether the proposed namesake made a sustained contribution over an appreciable time period, exerted efforts of benefit or significance to local, state or national affairs and/or demonstrated leadership in governmental, cultural or historical affairs, humanitarian efforts, or community development;*

*Contributions that beneficially changed the nature and characteristics of the community; and*

*Achievement by a native Savannahian of national or international acclaim in a specific field of endeavor that has reflected positively on Savannah.*

Honorary street names are symbolic and do not change the official name of the street. Linda B. Harris is deceased, and through her work in the community had a notable impact on the Live Oak neighborhood and the City of Savannah, including her work in mentoring young adults and helping the homeless.

***Renaming of public property facilities or streets.*** *All requests to rename public property shall be made in writing and directed to the attention of the City Manager. Such requests shall include:*

***In the instance of a park, playground, trail, recreational area or space;***

*A supporting petition signed by not less than 51 percent of all property owners abutting the subject property;*

*The present official name of the property;*

*The proposed new name;*

*The specific location of the property;*

*The name address and telephone number of the person requesting the name change;*

The City of Savannah, Mayor Van R. Johnson, II is requesting the change. As part of the submission, the applicant included the names of the property owners abutting the subject right-of-way and a signed petition showing the support of 75% which meets the threshold requirements for approval from the City.

*A statement of reasons supporting the renaming request;*

Per the applicant, “Linda would acknowledge everyone who walked this block, she would feed the sick, weak, homeless and would give a hand to anyone in need. She was a mentor to the young adults, a follower of Christ and a mother to those who needed that touch.”

*A thorough discussion regarding the history of the property, including all prior names associated therewith; and*

The standard does not apply to this situation because an honorary renaming does not affect the legal name of the street, however, the applicant provided a history of the impact of Linda B. Harris on the Live Oak neighborhood and the City of Savannah.

*An endorsement by the current Mayor, an at-large alderman or the alderman representing the district in which the property is located.*

The City of Savannah, Mayor Van R. Johnson, II is requesting this honorary street designation.
