Subject: Letter of Support - Linda B. Harris Way

Kind greetings to whom it may concern,

I am writing to strongly support the honorary street designation of Live Oak Street between East 35th Street and East 36th Street to Linda B. Harris Way.

Having known Linda personally, I can firmly attest that this beloved pillar of our community is deserving for an honorary street designation at this location. Ms Harris' presence in this place and at her home was a hub for community for this neighborhood, in particular on Live Oak street. She was both a friend to the community, and a mother to all who knew her.

Linda served with distinction as a decorated member of the 165th Airlift Wing of the Georgia National Guard with over 36 years of service - retiring with full honors as a Senior Master Sergeant. During her service to our Nation, Harris served during numerous critical operations for the United States Air Force including, Operation Desert Storm, Operation Iraqi Freedom, Operation New Dawn, Operation Enduring Freedom, and others during the Global War on Terrorism.

It is for this distinction of service to both her community and our nation that I kindly request the approval of an honorary street designation of Live Oak Street between East 35th Street and East 36th Street to Linda B. Harris Way.

Thank you,

Nick Palumbo
