Edgewater at New Hampstead – Phase 2A
2300 Little Neck Road
PIN: 21024 01018
63.785 acres | Total Acres - 75 lots
Zoning – PD (Planned Development)
File No. 25-004221-SUBP
Talon Wagenknecht, Agent for Lennar
Thomas & Hutton, Surveyor
Lennar Georgia, INC - Owner
Report Status: Final Report**

Nature of Request

The Petitioner requests approval of a Final Plat for a 75-Lot Major Subdivision within the Edgewater development of the New Hampstead PD. This phase (2A) of development will subdivide 75 single family lots with varying lot sizes and area consistent with PD development standards from a current parcel measuring +/- 63.785 acres.

Findings

1. The subject property is currently vacant and is heavily wooded. The purpose of the proposed subdivision is to create 75 lots that meet the subdivision criteria within the Master Plan.
2. All lots within Edgewater have principal access via an entrance located off of Little Neck Road and established with Phases 1A and 1B of the development.
3. The required infrastructure improvements to support this phase of development includes the extension of water and sewer mains, the installation of water and sewer services, and the installation of a stormwater conveyance system.
4. The water and sewer service for this project area is provided and maintained by the City of Savannah.

Decision:

The Planning Commission **approves** of the proposed major subdivision subject to the following conditions:

1. Show the signatures of a Georgia Registered Land Surveyor and the owner of the property on the final plat.
2. Approval of the Chatham County Health Department and the City review departments, including the City Engineer.
