NOTES		
<p>Notification of emergency procurement of enhanced services for Palo Alto TRAPS Intrusion Protection from Layer 3 in the amount of 82,000.00. These services were used by the Department of Information Technology to provide additional robust services to minimize impact of zero-day cyber exploits and provide forensic tools to track the source and spread of malicious activity on the City's network. This solution augments the existing security measures already implemented on the network. This purchase was necessary to pro-actively defend against on-going malicious cyber security threats. This vendor was selected due to its immediate availability, their ability to offer the necessary software, and they hold the current contract for managed network services, procurement, and support for Palo Alto equipment and solutions.</p> <p>The vendor is:</p> <p>E.P. Layer 3 (Savannah, GA)^(B) \$82,000.00</p> <p>A pre-proposal conference was not held as this was an emergency procurement. (B) Indicates a local, non-DBE firm. Recommend approval.</p> <p>Local Available: Yes DBE Available: No Total Sent: 1 DBE Sent: 0 Total Received: 1 DBE Received: 0 Vendor Federally Debarred/Suspended: No</p>
