NOTES

Recommend approval to procure a fuel monitoring system from MECO of Savannah, Inc. in the amount of \$38,157.

The FuelMaster fuel monitoring system will be used at the Interim Location for Sanitation at 1809 West Highway 80, Garden City, GA. The City of Savannah purchased the previous Waste Management facility in 2019. This facility, originally constructed in 1996, is planned to be renovated to serve as the City of Savannah's Sanitation Interim Headquarters. The tanks will hold approximately 10,000 gallons of diesel fuel, and service 38 vehicles (Sanitations Hauling Operations) that will dispatch from the newly renovated location. The project shall meet all federal, state, and local codes and ordinances.

This procurement will be made through a cooperative purchasing agreement (Contract No. 022217-SYS, expires June 1, 2022) with Sourcewell. Cooperative purchasing is authorized as an appropriate procurement method in Division 10, Section 4-4152 of the City of Savannah's purchasing ordinance.

The vendor is:

C.P. MECO of Savannah, Inc. (311 Stiles Avenue, Savannah, GA 31415)^(B) \$38,157.00

(B) indicates local, non-DBE owned business. (CP) indicates co-operative purchase.
