### NOTES

Recommend approval of Contract Modification No. 1 for electrical repair services for up to \$500,000 with Aiken Harper Electrical.

The contract is used by The Water Resources Department, and other City departments as needed. The services are used to keep effective electrical operations through repairs, maintenance and replacement as needed to City facilities.

The modification is needed to cover the following work:

- (1) Completion of stand-by power generator installations for the City’s IT fiberoptics network and critical event operations at SPD facility on Edwin Street, funded by a FEMA Grant expiring on April 6, 2022.
- (2) On-going rehabilitation of wastewater conveyance lift stations.
- (3) Replacement of Mission 3G monitoring systems for sanitary sewer system with LTE and 5G technology, as 3G will be discontinued and unavailable as of mid-February 2022.

This contract renewal was originally approved by Council on March 11, 2021, in the amount of \$697,570 the total amount of the contract with this modification will be \$1,197,570.

Recommend approval of Contract Modification No. 1 for up to \$500,000 with Aiken Harper Electrical<sup>(D)</sup>.

(D) Indicates a non-local, non-DBE owned business.
