NOTES

Notification of an emergency procurement a 16 inch EZ valve from Consolidated Pipe and Supply Company, Inc. in the amount of \$29,000. The item being purchased will be used by the Public Works and Water Resources Department to replace the 16 inch water main on Abercorn Street and East 66th Street. The specific purchase was for the installation of a 16-inch EZ insertion valve which was needed to make the repair on the water main after the Georgia DOT contract cut through the top of this shallow old oversized water main as they were in the process of removing asphalt and concrete as the resurface State Route 204. The installation of this valve minimized the number of homes which had to be shut out to make the repair. The vendor was selected due to its immediate availability.

S.S. Consolidated Pipe and Supply Company, Inc. (Savannah, GA)^B \$29,000

A pre-bid conference was not conducted as this is a sole source procurement. (B) Indicates local owned business. Recommend approval.
