

Safety Plan Form

Name: Dipesh Patel

Establishment: Chu's

Address: 1336 W Bay Street, Savannah, Ga 31415

Date: 11/10/2025

1. Identification of days and hours of operation.

The Store is open Mon to Saturday 9 a.m to 6 p.m and Sunday 9 a.m to 3 p.m During holiday time hours might differ that time will be 9 am to 3 pm. For some holidays we are closed.

2. Specific measures and procedures to address crowd management, both within and outside the premises.

There is a No Loitering sign outside the main entrance and on the sides of the building to manage the crowd. Inside the store there are two registers at different ends of the counter to divide the crowd during busy hours and there are cameras inside and outside the premise, there are 16 cameras that monitor all the time. 3 cameras outside monitor the parking area, side and back of the building. Inside premises there are 2 cameras at the front counter covered the main entrance. Each camera on each row and 1 camera covered the back door.

3. Identification of any parking areas either owned or controlled by the licensee.

The premise has its own parking area. There are 11 parking spaces in front of the building and 1 handicap parking in front of the building also have access ramp. parking area monitored by the parking cameras. Camera access contact person name JATIN PATEL (manager) cell No. 9122725432, present at all the business time and DIPESH PATEL (owner) cell no. 9125096393.

4. Means of controlling access to the premises and parking areas.

Only the customers and employees are allowed to use the parking area and The vehicles are monitored through the cameras. If a vehicle does not belong to a customer and stays in our parking lot for a longer period of time. We called the Hook towing company to tow the vehicle. Manager and employee monitored on a daily basis.

5. Security Staffing.

There are no security guards for premises at present, on special events or for some holidays we hire off duty police officers or private security.

6. *Specific measures and procedures to combat underage consumption of alcoholic beverages.*

There are signs in the store which state the age for purchase of Tobacco and alcohol products at the store. We do check physical ID card products which ask for the age of the customer every time a Tobacco or Alcohol product is sold. If a customer does not have an ID for verification we do not sell them any alcohol or Tobacco Products. We have a POS system that verifies the age and makes sure the customer is over the age of 21.

7. *Specific measures and procedures to combat the risk of fire.*

There is a fire extinguisher in the premises. There are exit signs in the premise and all the electrical equipment and receptacles are regularly Checked. We exit the back of the building and the side door. Also on the front side we have 2 access doors. We have 1 fire extinguisher at the front and 1 on the back side. The manager and cashier guide the customer to evacuate in an emergency. Our alarm system has contacted the police and fire department for some emergency and manager calls on 911.

8. *Discussion of matters related to managing emergencies, including fire, evacuation tactics, assignment of specific emergency management duties to personnel, coordination with public safety officers and emergency medical matters.*

There are exit signs in the premises in case of emergencies. Employees are trained to act according to the emergency situation and we will follow city guidelines during any natural emergencies.

9. *Where applicable, discussion of measures the licensee will undertake to visibly distinguish between patrons under and over the age of 21.*

We allow the all age customers but To make sure that a customer is over the age of 21 , the employees do ask for their Driver License which states their birth dates while they purchase tobacco and alcohol and make sure that they are over age of 21. We have a POS system that verifies the age and makes sure the customer is over the age of 21
