

Baby's General Store
410 E 37th St
Savannah, GA 31401

- 1) MONDAY - SUNDAY 6AM-10PM
- 2) We will maintain an orderly crowd by utilizing an entrance door and an exit door to streamline those ordering. No loitering sign will be located by the front door. Cameras are located both inside and outside covering the entirety of the property. Footage will remain on cameras for 7 days. The interior is for order only due to size of the establishment, and we have ample outdoor space for waiting in line and seating. We will never have cover charges, and the only items that may change throughout the day are grab and go food items.

- 3) Minimal on site parking and street parking designated and approved by the city of Savannah. We are on the bike line, so we will encourage walking and biking. We are installing multiple bike racks and hope to be a neighborhood friendly business for people to avoid driving.
- 4) Cameras, signs, and fencing all installed around the property. The majority of our perimeter will be fenced in via wooden fence and planter boxes.
- 5) No security guard as we will only have 2-3 employees working at a given time, and we have minimal interior space. Our goal is to be a relaxed and family friendly place that closes early in the evening.
- 6) We will be using an ID Scanner as well as training our employees internally for proper ID / Age inspection via ServSafe Alcohol Training Program as well as the Savannah Alcohol Training Program. Our staff will be trained to look out for products that we don't sell as well to target those that may try to sneak in outside beverages. We only have one

Baby's General Store

Savannah, GA 31401

- 7) counter to order beverages from where we will give wristbands / stamps to those 21 & Up.
Our employees will be doing mental math to determine those legally 21 and up.
- 8) Training our employees via emergency exit lights, smoke alarms, and fire extinguishers. Our space has an extremely small interior with 3 exit doors providing a swift exit. We do not have overhead suppression, this was not required by the city due to the size of our building.
- 9) In case of emergency, we will direct people in an orderly fashion off site and contact emergency personnel. The Manager on duty will have leadership in a situation such as this.
- 10) Under 21 patrons will be allowed. We will serve coffee, sodas, snacks, and various sundries for all ages to enjoy. If a customer orders an alcoholic beverage, we will inspect the ID physically as well as on our scanner. We will then provide a wristband customized to our establishment.
