1. *Identification of days and hours of operation.*

Hotel is operational 7 days a week, 24hrs. Beer and wine will be available for sale from 11am-11pm

2. *Specific measures and procedures to address crowd management, both within and outside the premises.*

Only hotel registered guests will be allowed as patrons. No alcohol will be served at late hours which typically causes unruliness and crowd issues. There are 24 cameras through the property that cover the interior and 4 cameras that cover the exterior; these cameras are CCTV that has a hard drive and stores 30 days worth of data. Cameras and its data are accessible by management staff only. Customer check-in usually takes 2-3 minutes and most of time is completed via mobile app on their phone. Wine and Beer are served from a locked kiosk that can only be accessed by staff via security card.

3. *Identification of any parking areas either owned or controlled by the licensee.*

Entire parking lot adjacent to the hotel is controlled by the hotel. No loitering signs and tow away signs are installed.

4. *Means of controlling access to the premises and parking areas.*

Parking is free to guests, we do not control access. No loitering signs and tow away signs are installed.

After 10pm hotel access is limited with Guest key card

We have cameras through out the building and on the exterior.

5. *Security Staffing.*

We will not have security, we do not anticipate any crowd issues or over consumption. If the location, did have a need for security, we would most likely just shut down alcohol serving.

6. *Specific measures and procedures to combat underage consumption of alcoholic beverages.*

We will card all purchasers, In addition staff will be trained to monitor for over-consumption and potential abuse by underage customers. Front desk will handle the alcohol transactions and use POS systems that require DOB entry to verify age.

7. *Specific measures and procedures to combat the risk of fire.*

Hotel is fully sprinklered with Central Fire Alarm. Exit routes are posted through out the hotel. Hotel staff/personal will follow fire safety plan, see attachement.

8. *Discussion of matters related to managing emergencies, including fire, evacuation tactics, assignment of specific emergency management duties to personnel, coordination with public safety officers and emergency medical matters.*

Hotel has a list of procedures and policies for emergencies, see attachment for details.

9. *Where applicable, discussion of measures the licensee will undertake to visibly distinguish between patrons under and over the age of 21.*

Hotel is open to all ages, however alcohol purchase and consumption is limited to individuals 21 and above. We will use POS to monitor all purchases and to ensure no one under 21 purchases alcohol.
