

SECURITY PLAN

1) Identification of days and hours of operation

Answer : Our Store are going to be following :

Monday – Saturday 8:00 AM – 10:00 PM

Sunday 10:00 AM – 7:00 PM

2) Specific measures and procedures to address crowd management both inside and outside the premise?

Answer : Store has a scanning checkout, which assist the clerk with speedy checkout, thus decreasing crowd in store. The business will have two employees during peak season to keep crowd in control. We have signs of “no loitering” on our premises along with cameras to make ensure it is strictly enforced. We have 5 cameras outside and 16 camera inside. Camera tapes are in possession of Dipesh Patel – 325-812-6141

3) Identification of any parking areas owned or controlled by establishment:

Answer : Store has assigned spaces outside the building for designated parking spots. These is the private parking only for the store customers.

4) Means of controlling access to the premises and parking area:

Answer : The business has cameras placed outside the premises to monitor parking areas and keep an eye out for who is entering and existing our premises. There are also signs the states its private parking.

5) Security Staffing

Answer : The business is a convenience store, thus we do not have security guards right now.

6) Measures used to combat underage consumption of alcoholic beverages

Answer : The business has register that shows the date which would make one over age of 21. Register asks employees to input date when we scan any alcoholic beverages. Employee will verify each customer who is buying alcoholic beverage by checking their id and making sure their above age limit. Employee will also get trainings required by the city and state.

7) Measures used to distinguish between patrons who are over and under the age of 21, where applicable?

Answer : All age group customers are allowed inside the premises, Customers who are buying alcoholic beverage will be asked to provide id and verify their age is over 21.

8) Measures and procedures to combat the risk of fire

Answer : The business location has fire extinguisher placed in store along with smoke detectors. The business does not allow customer to smoke inside store and no open alcohol containers inside the premises are allowed either.

9) Discuss matters related to managing emergencies, such as fires, evacuation tactics, assignment of employee duties during emergencies, and coordination with public safety:

Answer : Employee are provided training for fire such as shown where are the fire extinguisher is located, how to calmly ask patrons to vacate the premises, call 911, how to open and use fire extinguishers. Employees are informed of the evacuation route for the city and evacuation guidelines per our county and city.
