1)\_Days & Hours:

Monday – Sunday (Daily) 6am-11pm

2) Measures and procedures to address crowd management inside & out of premise

No Loitering signs are posted outside of the store to avoid gathering of crowd outside the store, and employees in the store will avoid gathering of crowds outside the store. Employees in the store will manage the crowd inside the store by giving them instructions when needed

3) Parking – the parking for our store is the parking lot within the property line of the store

4) Controlling access to premises and parking.

Our staff controls who come in and out of our establishment. There will be a towing company sign outside to tow away unauthorized vehicles in the premises.

5) Security staffing – There is no security hired for the premises as of now.

6) Measures used to combat underage consumption. Employees will check for ID cards of customers to make sure that there is no alcohol or tobacco sold to underage customers

7) Measures to combat risk of fire

We have two routinely inspected and tested fire extinguishers to combat fires.

We have fire exit safety signs alerting patrons to the nearest exits.

8) Discussion of matters for emergencies and working with the police and EMS. We will follow instructions from City of Savannah Police and Emergency in any event of an emergency. There will be proper signs in the store for emergency exits.

9) Patrons under 21. Licensee will post the signs in the store that no alcohol will be sold to underage people. They must show valid ID. Customers regardless of how young they look they will ask for proper verification with photo.
