

# Safety Plan Form

Name: Joshua Sexton

Establishment: The Sexton, Pub & Provisions

Address: 9 W 43<sup>rd</sup> ST Savanna, GA 31401

Date: 5/23/2025

1. *Identification of days and hours of operation.*

Mon-Sat 11am-10pm Sun 12pm-10pm

2. *Specific measures and procedures to address crowd management, both within and outside the premises.*

Our front of house staff and management team will be in charge of making sure all our patrons act in an appropriate manner. They will be briefed of what is and what isn't acceptable behavior. Unruly guests will be asked to leave by choice and if refused authorities will be called. In case of an incident the building currently has 15 cameras installed inside and out that ownership and management will have access to review and submit footage to the appropriate entities. The cameras are supported by Blink home security and footage is stored for 90 days.

The owners and managers who will have access to the cameras are as follows:

Owner: Joshua Sexton Phone: 404-991-0446 email: [Revel808@gmail.com](mailto:Revel808@gmail.com)

Owner: Michael Sexton Phone: 603-913-3333 email: [sexton4244@gmail.com](mailto:sexton4244@gmail.com)

Manager: Joseph Berkesch Phone: 404-314-0894 email: [josephberkesch@gmail.com](mailto:josephberkesch@gmail.com)

We plan on posting no loitering signs out front and side of the building and in our designated parking area.

After 9pm we will no longer allow anyone under the age of 21 into the restaurant. Any under age patrons will be allowed to finish their meals at this time but no new underage people will be allowed in after 9. IDs of all patrons coming in after 9pm will be checked by door security or front of house staff regardless of intent to consume alcohol.

3. *Identification of any parking areas either owned or controlled by the licensee.*

Our lease allocates fifty percent of the designated parking for the business located on the side of the building. Roughly nine spaces located on the eastern most side of the building and located adjacent to the building.

4. *Means of controlling access to the premises and parking areas.*

We will post signs designating parking that is available for patrons. There will be additional parking on the property that was not included in our lease that is managed by a private parking enforcement company. There are two entrances and exits to the building. The first entrance is located on the front of the building and will be used by

both patrons and employees. The second entrance is in the rear of the building located on our patio and is ADA accessible. It will be used by patrons, employees and for receiving deliveries.

5. *Security Staffing.*

We will have unarmed security on the front door on Thursday-Saturday 9pm-close. They will be trained in house by our manager Joseph Berkesch who has a great deal of experience as head of security at multiple locations. Joseph will also be unarmed.

6. *Specific measures and procedures to combat underage consumption of alcoholic beverages.*

Front of house staff will be required to check the ID of any persons ordering alcoholic beverages regardless of appearance of age. They will be verifying DOB against a sell by date on a digital calendar located on the wall behind the bar and on the wall in the dining room. In addition all Front of house and door staff will be required to take alcohol server training.

7. *Specific measures and procedures to combat the risk of fire.*

In addition to fire extinguishers and alarm system installed on our kitchen hood all kitchen staff will be required to complete their servsafe certification. No open flames will be permitted in the dining room and that includes candles or lamps with flame. We have three fire extinguishers. One located in the kitchen, one in the downstairs hallway and one at the top of the stairs leading into the dining room. They are serviced and inspected by Hendricks fire extinguisher services.

8. *Discussion of matters related to managing emergencies, including fire, evacuation tactics, assignment of specific emergency management duties to personnel, coordination with public safety officers and emergency medical matters.*

In case of an emergency where the building needs to be evacuated the management and front of house team will be responsible for ensuring the safe and orderly evacuation of all patrons to the parking lot. Management will be responsible for contacting 911 and coordinating with emergency response personnel.

9. *Where applicable, discussion of measures the licensee will undertake to visibly distinguish between patrons under and over the age of 21.*

We will not visibly distinguish any patrons over or under the age of 21. As a restaurant, all patrons will be welcome. Anyone ordering an alcoholic beverage will be asked to present a government issued ID and have their age verified.
