SUNDAY 6:00 AM TO 1:00 AM

2. Specific measures and procedures to address crowd management both inside the premise:

We have total of 16 cameras inside and out side of the premise and there is a 3 no loitering signs out side of the premise, we usually don't have a crown in the business all our customers are quick come in and go we have two exit and entry doors for customers to get in and out quickly.

3. Identification of any parking areas owned or controlled by establishment:

We have total of 13 parking spot out side a business and there are 4 more parking space on gas pumps were our customers are parking to get in the establishment.

4. Means of controlling access to the premises and parking area:

We have parking for customers only we watch them through the camera if any out side person park in the parking lot then we call the towing people to tow the car.

5. **Security staffing:**

We don't use any security guard nor employ off duty SPD officers.

6. **Measures used to combat underage consumption of alcoholic beverages:**

We check id for all customers who buy alcohol products from our store, we ask for id and put their date of birth in our pos to verify their age and we also have signs that we don't serve teens.

7. **Measures used to distinguish between patrons who are over and under the age of 21, where applicable:**

Our establishment allow all individuals of all ages in the store. We check ID's for customers who try to buy the alcohol.

8. **Measures and procedures to combat the risk of fire:**

We have smoke detectors and fire extinguishers in our store. We don't let any of our customers to smoke inside the premises, we call electrician annually to check all the wiring to make sure there is no loose wire to catch fire.

9. **Discuss matters related to managing emergencies, such as fires, evacuation tactics, assignment of employee duties during emergencies, and coordination with public safety:**

In the event of fire our employees will quickly open the exit door and call fire department right away. We have security system in the establishment which detect fire and notify for emergency department in case of any emergency.
