Good morning,

I wanted to show my support for the naming of the square in downtown Savannah after Major Clayton Carpenter. I've been a Savannah local since 2008, when I was first stationed at Hunter Army Airfield. I met my wife here and we've raised our children here. One of the most amazing things about Savannah is the support for all local heroes who are part of the community. From military to first responders, to those fighting for our rights we honor them all. Major Carpenter was one of them and has truly earned this recognition. It would be an amazing honor for the city to remember a great American who truly embodied the spirit of our great country.

Thank you for this consideration.

Good Morning,

I wanted to send an email to support the effort to name the new square after MAJ Clayton Carpenter. The squares downtown are such a quintessential part of the Savannah community and this would be a wonderful opportunity to show Savannah's support of our local military. Naming the square after MAJ Clayton will also keep in the tradition of naming of the squares after significant military leaders. This could be a great opportunity to memorialize a local hero while also maintaining the traditions that are at the heart of Savannah.

Dear Members of the Savannah City Council:

I am writing you to express heartfelt and sincere support for the initiative to name the square at Abercorn and East Wayne Streets after MAJ Clayton Carpenter, a fallen member of the organization in which I serve, 3rd Battalion, 160th Special Operations Aviation Regiment (Airborne) here in Hunter Army Airfield, GA.

MAJ Clayton Carpenter embodied the ideals of strength, courage, and selflessness throughout his service to our country. This was never more evident than on the night here in Savannah when his actions during an emergency landing of his MH60 helicopter saved the lives of the other crewmembers on board. It is essential to honor and recognize the sacrifices he made in defending our freedom and protecting our nation.

I kindly request that you consider my support and take this matter into careful consideration. Although there are several other worthy candidates for the naming of the square, "MAJ CLAYTON CARPENTER SQUARE" pays homage to a brave Soldier who served at Hunter Army Airfield, a devoted community member, and an inspiration to us all. I believe this small but meaningful gesture can contribute to fostering a spirit of patriotism and civic pride within the Savannah community.

Thank you for your attention to this matter, and I trust that you will make the best decision that upholds the values of the City of Savannah.

Sincerely,

### Historic Site and Monument Commission,

I am writing to support the naming of a Savannah square at Abercorn and East Wayne Streets after a good friend and fallen comrade, MAJ Clayton "Clay" Carpenter. I could think of no better honor for our city than to have a square dedicated to preserving his legacy of service to our community and nation. Clay was a man of the upmost integrity and he made a lasting impact within the 160<sup>th</sup> Special Operations Aviation Regiment and the Savannah community.

I first met Clay over a decade ago. We were both young Captains assigned to 3<sup>rd</sup> Battalion, 160<sup>th</sup> Special Operations Aviation Regiment (SOAR) in Savannah. Clay's potential as an Army Officer was apparent. He had a mastery of knowledge in world affairs, he steadfastly deployed from Savannah to Afghanistan, leading Soldiers in combat with a mix of grit and charisma that could overcome any foe. Clay would expertly brief senior officers and speak with strategic impacts. I admired Clay and hoped that if I stuck by his side long enough, some of Clay would rub off on me. He poured his heart into service and contributing to our team.

Unfortunately in January of 2014 I was called into work in the early morning hours to find out that Clay was killed in a helicopter crash on Hunter Army Airfield. It was at the very end of a training flight that a mechanical malfunction occurred. Clay's last living efforts were to accomplish the emergency procedures that enabled the rest of the crew to survive the accident.

After Clay's crash, I would often think of how I could honor Clay and preserve his legacy. In actuality, the only way that I can honor Clay is by living a life that is worthy of his sacrifice, and continuing to serve my Soldiers, community and Nation with the same vigor that Clay possessed. His legacy lives in me and every Nightstalker in Savannah. Every year on January 15<sup>th</sup>, Soldiers from 3<sup>rd</sup> Battalion, 160<sup>th</sup> SOAR gather at the Savannah Night Stalker memorial to pay tribute to MAJ Clayton O. Carpenter. We keep his name alive and teach our younger generation of Soldiers about the character behind the man's name written on the monument. It would be an honor for Clay and our unit, but also an honor for our city to have a square named after MAJ Clayton O. Carpenter. A man who is almost a decade passed continues to teach us all a lesson about life.

The end of our Nightstalker creed says, "I live with the memory and pride of those who have gone before me, for they loved to fight, fought to win, and would rather die than quit. Nightstalkers don't quit!!" Clay never quit and we shouldn't either.

Thank you for your consideration.

To the Historic Site and Monument Commission,

MAJ Carpenter was one of my platoon leaders when I was a young Soldier serving in Hawaii with 2<sup>nd</sup> Battalion, 25<sup>th</sup> Aviation Regiment, 25<sup>th</sup> Combat Aviation Brigade. He was truly an impressive leader that had a lasting impact in my life. We spent many hours in the Iraq heat conducting complex multi-ship air assaults under cover of darkness, vehicle interdictions, as well as moving people and equipment across the battle space conducting battlefield circulations. He was a true leader of character and competence that I was proud to serve with. I am honored to have the privilege to provide my support for the naming of a city square after this inspirational leader within the Army community and the City of Savannah.

He is someone I would like to see others emulate especially the African Americans since Clay is an African American. Good Afternoon,

I have drafted a formal letter of support, which outlines the significance of this renaming and how it would pay tribute not only to Major Carpenter but also to the exceptional contributions of the 160th SOAR and its Night Stalkers. I firmly believe that such an act would stand as a symbol of gratitude and admiration from our city for those who serve in our Armed Forces, especially those who operate in the shadows and undertake challenging missions for our security.

I kindly request you to review the attached letter, and I hope it resonates with you and the other decision-makers in the City of Savannah. I believe that renaming a city square to MAJ Clayton Carpenter would be a powerful and meaningful way to acknowledge the sacrifices made by Major Carpenter and the 160th SOAR, while also inspiring the next generation of service members.

If there is anything further I can do to support this initiative or provide any additional information, please do not hesitate to reach out to me. I am eager to contribute in any way I can to see this proposal through and to honor the memory of this exceptional Night Stalker.

MEMORANDUM OF SUPPORT FOR The city of Savannah Square Naming Council,  
2 East Bay Street, Savannah, GA, 31401

SUBJECT: Letter of Support for Renaming a City Square to MAJ Clayton Carpenter.

1. I am writing to express my heartfelt support for the proposal to rename one of the city squares in Savannah to honor the memory and extraordinary contributions of Major Clayton Carpenter, a true American hero and distinguished member of the 160th Special Operations Aviation Regiment (SOAR), famously known as the "Night Stalkers".
2. As a dedicated member of the Savannah community and fellow Night Stalker, I have had the privilege of learning about Major Clayton Carpenter's illustrious military career and the invaluable role he played as a Night Stalker within the 160th SOAR. His remarkable service in this elite aviation unit is a testament to his unparalleled skill, bravery, and commitment to the safety and security of our nation. Major Carpenter's involvement with the 160th SOAR has been etched into history as they are renowned for conducting some of the most challenging and critical missions. Their capabilities in nighttime operations, aerial insertions, and extraction of special operations forces have played a pivotal role in safeguarding our country and its interests around the world. As part of this exceptional team, Major Carpenter exemplified the highest standards of professionalism, teamwork, and perseverance, earning the respect and admiration of his peers and superiors alike.
3. By renaming one of our city squares in honor of Major Clayton Carpenter, we would not only commemorate his memory but also highlight the significant contributions made by the 160th SOAR and its dedicated Night Stalkers. This act of recognition would remind Savannah's residents and visitors of the sacrifices and immense dedication of these brave servicemen and women, who often operate in the shadows, but whose impact on our nation's security is immeasurable.
4. I firmly believe that renaming a city square to MAJ Clayton Carpenter would be a powerful tribute, demonstrating our community's unwavering support and gratitude to all those who have served in the 160th SOAR and the Night Stalkers. It would serve as an inspiration to future generations, encouraging them to follow in the footsteps of heroes like Major Carpenter, whose commitment to duty and honor is a shining example for us all. I humbly request the City of Savannah to consider this proposal with great enthusiasm and support. I trust that the decision-makers will recognize the significance of this gesture and the positive impact it will have on our community, instilling a sense of pride and unity among all residents.

5. Thank you for your time and consideration. I write to respectfully request the city's consideration for a heartfelt tribute to a true American hero - Army Helicopter Pilot Clayton Carpenter who tragically passed in a helicopter accident at Hunter Army Airfield.

As we all know, the squares in downtown Savannah are an integral part of the city's rich history and culture. These squares represent significant moments and personalities that have shaped the very fabric of our society.

Furthermore, this tribute will unite our community in gratitude and respect, fostering a sense of camaraderie and pride for our city's enduring legacy. Such an act of recognition will demonstrate Savannah's unwavering commitment to honoring those who risk everything for our safety and liberty.

I also ask that you also consider memorials to the many other Army Aviators from Hunter Army Airfield who past away in combat over the past 20 plus years.

If you should need information to coordinate this please reach out.

Thank you for your time and consideration of this request.

Sincerely,

-Tony

Please consider fallen Fallen Night Stalker:  
, **MAJ Clayton Carpenter**, as your choice.

To do so, demonstrates our city's love, for a fallen hero of one( and therefore all ) of our local special forces!

It so fitting with all the turmoil going on in this world today to show respect for those who make the ultimate sacrifice for our nation. I am sure our Nightstalker's would provide a formal Military honor guard for the event.

Thank you

To the city of Savannah Georgia,

This beautiful and historic city of Savannah has always been the talk among soldiers across the country. Many dream to be assigned to a base so close to a city full of entertainment, bountiful historic facts and culture. The families of Hunter Army Airfield have always learned to appreciate what is right outside of the gate as they struggle to find “home” during the constant struggles of relocating.

It is to my understanding that the proposed name of Maj Clayton Carpenter has come across your list as one of the top 14 final suggestions. Although I am sure there are plenty of other suggestions that are in the running for the top title, I believe Maj Clayton Carpenter should be honored for his dedication to an elite force of members and the local community.

Thank you,

To whom this may concern,

I write you this email with the utmost admiration and respect for the great city of Savannah Georgia and the great relationship the city has with the men and women of the United States Army stationed at Hunter Army Airfield.

To my understanding, the City of Savannah is looking to name a new historic square in the Downtown area, and **MAJ Clayton Carpenter** is a finalist of the 14 proposed names.

I urge you to consider memorializing a historic square to one of the Army's greatest Special Operations Aviators who paid the ultimate sacrifice to this great nation. This event would not only be historic for the City of Savannah, but also be very much appreciated by the men and women of 3/160<sup>th</sup> Special Operations Aviation Regiment (Airborne). MAJ Carpenter was an extraordinary leader, aviator, father, husband, and friend. We host a memorial service in his honor every year and the opportunity to do that downtown with the City of Savannah, GA would be an amazing step in building the lasting relationship. We serve with the memory and pride of those who have gone before us and to have this would be a true honor and privilege.

I very much appreciate your time and consideration and on behalf on the men and women of 3/160<sup>th</sup> SOAR (Abn), we thank you for your continued support.

Good Evening,

I am writing to convey my wishes to name a square in Downtown Savannah, Georgia after MAJ Clayton Carpenter. I can think of no better person to name this square after. A part of the Night Stalkers of the 160th Special Operations Aviation Regiment (Airborne), MAJ Carpenter served with distinction as a pilot in C Company 3-160th SOAR (Airborne), as an MH-60 Platoon Leader and further as the Commander, HHC 3-160th SOAR (Airborne). MAJ Carpenter deployed in support of the Global War on Terror multiple times, earning multiple medals to include the Meritorious Service Medal, Air Medal, and Iraq Campaign Medal, to name a few. Savannah, GA is a city that represents heroes, and is full of them. Between the 3rd Battalion, 160th SOAR and the 1st Battalion, 75th Ranger Regiment, there are few places that epitomize the heroic deeds of the people in this city. Please accept my nomination for MAJ Clayton Carpenter for the naming of this beautiful Savannah City Square.

To whom it may concern,  
I am writing in support of the potential naming of a square in honor of MAJ Clayton Carpenter.

I was assigned to the 3/160th SOAR (A) at Hunter Army Airfield in 2014, shortly after Clay's accident. While I did not know him personally, I can attest to his positive impact throughout the formation and with our 1/75 Ranger Regiment partners. There is no shortage of stories about Clay Carpenter; through the many I have heard, it is clear that Clay possessed all the attributes you would associate with an Army hero (patriotism, honor, loyalty, valor, etc.). He also possessed many characteristics I associate with the City of Savannah. He had a great sense of humor, pride in his community, and love for all.

I could not think of a more deserving hero who epitomizes what the City of Savannah stands for than MAJ Clayton Carpenter.

**Subject:** [Caution - External Email] City of Savannah Square Naming - Major Clayton Carpenter

Hello,

I'd like to show my support for naming the Savannah square after Major Clayton Carpenter, a member of the 3/160th SOAR military unit that has called Savannah home since the 1990s. He was a true hero killed on a training mission in Savannah, the town he loved and supported.

Dear Sir or Ma'am:

Good afternoon! I am writing this letter in support to naming a square in the downtown area after Fallen Night Stalker, **MAJ Clayton Carpenter** in "Honoring Our Legacy" with the City of Savannah. MAJ Carpenter graduated in 2005 from U.S. Military Academy at West Point. He became a Blackhawk helicopter pilot and commanded a platoon and company during combat tours in Iraq. He later joined 160<sup>th</sup> Special Operations Aviation Regiment as an elite aviator carrying out difficult missions in the dark in enemy territory. He was assigned right here in Savannah at Hunter Army Airfield. He was killed during a training incident. He has received numerous awards and decorations during his time in service including Meritorious Service Medal with 1 Oak Leaf Cluster, Air Medal, Army Commendation Medal, Meritorious Unit Citation with 1 Oak Leaf Cluster, National Defense Service Medal, Iraq Campaign Medal with 3 Bronze Service Stars, Global War on Terrorism Service Medal, Army Service Ribbon, Overseas Service Ribbon, the NATO Medal, the Air Assault Badge and Army Aviator Badge. He was posthumously awarded the Meritorious Service Medal and the Senior Army Aviator Badge. I hope you will honor his memory in naming a Square for this most deserving individual. Thank you!

Sincerely,

Karen Reed

I am writing regarding the naming of the square previously known as "Calhoun Square" to the Major Clayton Carpenter Memorial Square. I had the privilege of working with Clay Carpenter. He was a great Soldier who loved the Army and loved Savannah. In his off time, he enjoyed going downtown and having fun with his friends. Clay lost his life in January 2014 in a training accident on Hunter. Fortunately, the other pilot and crew chief survived. Clay deployed numerous times in support of Operation Enduring Freedom and Iraqi Freedom in Afghanistan and Iraq fighting for our freedoms. It would be very rewarding and an honor for this square to be named in honor of Clay. The naming of this square would mean everything to his Mother, Father, Brother and the many Soldiers he so proudly served with.

Dear City of Savannah,

I'd like to express my full support for the renaming of a historic Savannah square in honor of my dear late friend Clay!

Jon Ternstrom's application says it well. Clay was an exemplary American and truly loved Savannah! When we both found out the Andy was sending us to Savannah, it was a happy day and Clay was proud to call it home.

Those who love Clay often describe him as a renaissance man...a diplomat, an academic, a gentleman through and through, an officer, a talented pilot, a loving fiancé, son, and brother, a loyal friend, and an exceptional leader.

Please rename the square in his honor and memory. It would reflect the highest values and character of the great man!

Thank you!!

To whom it may concern,

I will keep this brief, as I'm sure you are receiving many of these. Savannah has a rich history of and collaboration with the military, considering the proximity of both Hunter AAF and Fort Stewart. However, the city itself has very little in the way of honoring veterans and military personnel, particularly POW/MIA/KIA veterans.

That being said, the most logical name for the square is honoring our fallen hero by naming the square after **Major Clayton Carpenter**.

Thank you for your consideration,

Chris Levdahl

I did not have the privilege of knowing Major Carpenter but I now get to serve in the same unit he was in. He is the definition of selfless and his name should be remembered always and forever. Hearing his story every year makes me proud to be a part of what I do and reminds us of the sacrifices that are made every day.

The renaming of this square should become "MAJ Clayton O. Carpenter" for a couple of reasons:

1. He payed the ultimate sacrifice to ensure we as Americans can continue to enjoy our freedoms.  
2. Every year since his sacrifice, he is honored, remembered, and missed by family and fellow Nightstalkers.

3. From the Nightstalker creed, " **I serve with the memory and pride of those who have gone before me for they loved to fight, fought to win and would rather die than quit. Night Stalkers Don't Quit!**

Savannah City Council,

As a fellow Nightstalker, I served with MAJ Clayton Carpenter in Savannah. His leadership, bravery, duty and commitment to the Army, his family, fellow Soldiers, and the city of Savannah was unwavering. Unfortunately, his time was cut too short as he made the ultimate sacrifice for his country. His actions continue to inspire the community and his legacy lives on through the countless men and women who accept the call to duty. We remember and memorialize MAJ Carpenter every year as a community but his legacy deserves a greater statement on this city. Commemorating this square is the least we can do for this hero as his impact stretches greater than any of us can comprehend.
