<b>NOTES</b>		
<p>Recommend approval of Contract Modification No. 1 for generator maintenance for the President Street, Regional, and Water Treatment Plants with W.W. Williams in the amount of \$40,000.</p> <p>The original contract was for maintenance of generators at the City’s President Street, Regional, and Water Treatment Plants. The National Pollutant Discharge Elimination System permit requires each plant to have a back-up power source in the event of an emergency. Routine maintenance inspections on each system is crucial and ensures that the systems are always in a ready state.</p> <p>This modification is needed to add 37 generators to the contract. The Water Supply and Treatment Division will use this contract for to provide generator maintenance at wells throughout the City of Savannah. The original contract was approved by Council on June 6, 2019 in the amount of \$200,462. The total amount of the contract to date, including this modification, is \$240,462.</p> <p>Recommend approval of Contract Modification No. 1 for Generator Maintenance for President Street, Regional, and Water Treatment Plants with W.W.
